Tibet La Question Qui Deacuterange:

Tibet Claude B. Levenson, 2009-01-01 Que ce soit sur la scène économique et financière dans les sphères diplomatiques ou diplomatiques il est de bon ton aujourd'hui de courtiser la puissance chinoise Mais une tragédie inoubliable demeure comme une tache indélébile dans ce tableau d'une Russie annonçant le Tibet son peuple martyrisé sa civilisation en péril Claude B. Levenson spécialiste de l'histoire et de la culture tibétaines et familière du dala lama brosse ici une synthèse magistrale de cette question qui dérange Elle montre comment depuis Mao jusqu'aujourd'hui les prétentions chinoises constituent un défi absolu de la légitimité historique appuyé par la seule violence colonisatrice Elle jette aussi un regard accru sur le Tibet des autres celui de l'Inde et des Européens celui des Américains et des organisations internationales entre fascination et condescendance entre beaux discours et compromissions le monde est embarrassé par ce peuple singulier soumis au cauchemar et par son chef spirituel irrductible et non violent

Tibet Pierre-Antoine Donnet, 1994 This is an account of why the Tibetan people see the Chinese as occupiers and colonizers rather than liberators from theocratic rule or heralds of economic progress Set against the background of the Chinese invasion and the impact of Maoist excesses during the Cultural Revolution it explains the changing strategy of the Chinese towards Tibet in the 1980s a strategy brought to an abrupt and brutal halt with the popular explosion of 1987 and declaration of martial law The underdevelopment of the Tibetan economy the continuing assault on Tibetan society and environment and violations of human rights are all fully documented The author describes the confidential negotiations between the Chinese and Tibetan leaderships and he provides an up to date delineation of the political prospects for the 1990s

Authenticating Tibet Anne-Marie Blondeau, Katia Buffetrille, 2008 Since 1959 Tibet has been at the centre of controversy after China's peaceful liberation of the Land of Snows led to the Lhasa uprising and the Dalai Lama's escape to India This work brings together responses to a booklet published by the Chinese government in 1989 which sought to counter criticism of their occupation of Tibet
