Jean Clandinin, Janice Huber, Marilyn Huber, M. Shaun Murphy, Anne Murray Orr, Marni Pearce, Pam Steeves, 2006-04-18 In a climate of increasing emphasis on testing measurable outcomes competition and efficiency the real lives of children and their teachers are often neglected or are too messy and intricate to legislate and quantify As such curricula are designed without

including the very people that compose the identities of schools Here Clandinin takes issue with this tendency bringing together a collection of narratives from seven writers who spent a year in an urban school exploring the experiences and contributions of children families teachers and administrators These stories show us an alternative way of attending to what counts in schools shifting away from the school as a business model towards an idea of schools as places to engage citizenship and to attend to the wholeness of people s lives Articulating the complex ethical dilemmas and issues that face people and schools every day this fascinating study puts school life under the microscope raises new questions about who and what education is for *Extended Schools* Suzanne O'Connell, Julia Everitt, 2010-08-05 This publication looks at the issue of extended schools from a down to earth point of view It aims to help staff by providing a bank of resources and ideas which they can select from **The Gods are Athirst - Anatole France** Anatole France, 2025-02-16 The Gods Are Athirst by Anatole France is a powerful historical novel set during the height of the French Revolution capturing the terror idealism and fanaticism of the period The story follows variste Gamelin a young and zealous Jacobin artist who becomes a judge of the Revolutionary Tribunal Consumed by his devotion to the revolutionary cause Gamelin descends into moral blindness embracing violence and justifying executions in the name of justice and virtue Published in 1912 the novel offers a scathing critique of ideological extremism and the corrupting nature of absolute power Through precise and elegant prose Anatole France explores the tragic consequences of political fanaticism the loss of individual conscience and the transformation of noble ideals into instruments of terror The title itself The Gods Are Athirst alludes to a thirst for blood disguised as divine justice The enduring relevance of The Gods Are Athirst lies in its timeless examination of how revolutions can devour their own and how the pursuit of purity can lead to destruction With its chilling portrait of a society spiraling into chaos the novel remains a poignant reflection on the fragility of reason and humanity in times of upheaval *The Six Greatest Novels of Anatole France* Anatole France, 2010-12-01 Anatole France born Fran ois Anatole Thibault 1844 1924 was a French poet journalist and novelist with several best sellers Ironic and skeptical he was considered in his day the ideal French man of letters He was a member of the Acad mie fran aise and won the 1921 Nobel Prize in Literature in recognition of his brilliant literary achievements characterized as they are by a nobility of style a profound human sympathy grace and a true Gallic temperament This volume assembles six of his greatest novels Penguin Island The Crimes of Sylvestre Bonnard The Gods Are Athirst The Revolt of the Angels Tha s and The Red Lily The Greatest French Classics Of All Time Stendhal, Jules Verne, Gustave Flaubert, Anatole France, Émile Zola, Victor Hugo, Guy de Maupassant, Jean-Jacques Rousseau, François Rabelais, George Sand, Marcel Proust, Gaston Leroux, Charles Baudelaire, Molière, Pierre Corneille, Jean Racine, Voltaire, Pierre Choderlos de Laclos, Alexandre Dumas pere, Alexandre Dumas fils, 2023-11-13 DigiCat presents to you this meticulously edited and formatted collection of the greatest classics of French literature A History of French Literature Fran ois Rabelais Gargantua and Pantagruel Moli re Tartuffe or the Hypocrite The Misanthrope The Miser The Imaginary Invalid The

The Gods are Athirst Anatole France, 2023-06-06 *The Gods Are Athirst* 1912 is Nobel laureate Anatole France's captivating fictional reimagining of the bloody events of the French Revolution. Gamelin, a young idealistic painter who works with his local government in Pont Neuf, finds himself at the epicentre of the Terror when he is appointed as a juror on the Revolutionary Tribunal. Swept through a procession of unjust trials, Gamelin must reckon with his actions as he determines the fates of those closest to him. As he turns drunk with power and vengeance, Gamelin's actions set forth a violent and horrific chain of events that end only with blood. *The Gods Are Athirst* is a brilliant but horrifying depiction of how fear and a warped sense of justice only serve to bring chaos. A masterpiece in its own right, *The Gods Are Athirst* is an essential read for anyone interested in French history or looking for a gripping tale of the fall of the man and the cost of vengeance.

François Anatole Thibault 1844-1924, better known as Anatole France, was a French journalist, poet, novelist, and Nobel laureate for literature. Spending much of his early life in his father's bookshop, France quickly rose to prominence as a respected author of over 25 works. A French Classicist writer with a style reminiscent of Voltaire and Flaubert, France's work has a strong preoccupation with scepticism and hedonism. He is best remembered for his classic French novels *La Rôtisserie de la Reine Pédauque* (1893) and *Le Crime de Sylvestre Bonnard* (1881). France's works have had an historic legacy, and he is recognised today as one of France's most prominent authors.
