Kita bisa melihatnya dari kemajuan ilmu pengetahuan, teknologi, dan seni yang berkembang pesat di dunia ini. Kita hanya perlu membuka mata dan hati kita untuk melihatnya." —Muhammad Ali bin Abdurrahman bin Abdulaziz Al Saud, pemimpin Saudi Arabia

Yasmin Moghahed Reclaim Your Heart:

Summary of Yasmin Moghahed's Reclaim Your Heart Everest Media, 2022-05-27T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 We all love gifts We love the blessings that beautify our lives But what happens when a gift becomes more than just a gift When a want becomes a need a favor becomes a dependency and a gift is no longer only a gift 2 The tragedy of our choice is that we chain our necks with attachments and then ask why we choke We put aside our Real air and then wonder why we can't breathe We give up our only food and then complain when we're dying of starvation 3 The true purpose of the gift is to bring us to God We will suffer the moment we turn our wants into needs and our one true need into a commodity we think we can do without 4 The foundation of Islam is tawheed or Oneness but tawheed is not just about saying that God is One It is about the Oneness of purpose of fear of worship and of ultimate love for God It is about the oneness of vision and focus **Reclaim Your Heart (Edisi Diperkaya)** Yasmin

Moghahed, 2015-08 Reclaim Your Heart is not just a self-help book It is a manual about the journey of the heart in and out of the ocean of this life It is a book about how to keep your heart from sinking to the depths of that ocean and what to do when it does It is a book about redemption about hope about renewal Every heart can heal and each moment is created to bring us closer to that transformative return Reclaim Your Heart is about finding that moment when everything stops and suddenly looks different It is about finding your own awakening And then returning to the better truer and freer version of yourself Many of us live our lives entrapped by the same repeated patterns of heartbreak and disappointment Many of us have no idea why this happens Reclaim Your Heart is about freeing the heart from this slavery It is about the journey in and out of life's most deceptive traps This book was written to awaken the heart and provide a new perspective on love loss happiness and pain Providing a manual of sorts Reclaim Your Heart will teach readers how to live in this life without allowing life to own

you It is a manual of how to protect your most prized possession the heart An American Muslim Guide to the Art and Life of Preaching Sohaib Sultan, 2023-03-07 An American Muslim Guide to the Art and Life of Preaching explores the art and craft of creating effective Islamic sermons and delivering them with care passion and integrity The life of the preacher is also addressed and a model of spiritual formation is provided for those serving Muslim communities of faith in positions of religious leadership Sultan s vision and approach to preaching is holistic This book is as much about the knowledge and care placed behind a sermon as it is about the tone tenor and shape of that sermon It is as much about the character of the person delivering these words as it is about the nature and shape of the words themselves It is as much about tending to the people of faith that fill the worship space as it is about the aesthetics and arrangement of that same space This means that this book on preaching is not meant for preachers alone It was written for us all whether we are called to address and care for a congregation or we are one of the many called to be part of one While the book is clearly written for Muslim preachers and Islamic preaching many of the insights in the book could easily apply to preaching in Christian or other settings Reflecting on a theology of the spoken word in the Islamic tradition Martin Nguyen remarks that the sermon in and of itself is not automatically worthy of praise Rather its value for the life of faith is measured by its message its mode of delivery and the model of living that accompanies it An appendix to the book includes a collection of du s or supplicatory prayers that were composed and delivered by women from the Princeton Muslim Life Community **Religious Minority Students in Higher Education**
