Nigerian Praise Tonic Solfas:

Hymns and Constructions of Race Erin Johnson-Williams, Philip Burnett, 2024-02-07 Hymns and Constructions of Race Mobility Agency De Coloniality examines how the hymn historically and today has reinforced negotiated and resisted constructions of race It brings together diverse perspectives from musicology ethnomusicology theology anthropology performance studies history and postcolonial scholarship to show how the hymn has perpetuated generated and challenged racial identities The global range of contributors cover a variety of historical and geographical contexts with case studies from China and Brazil to Suriname and South Africa They explore the hymn as a product of imperialism and settler colonialism and as a vehicle for sonic oppression and or resistance within and beyond congregational settings The volume contends that the lived tradition of hymn singing with its connections to centuries of global Christian mission is a particularly apt lens for examining both local and global negotiations of race power and identity It will be relevant for scholars interested in religion music race and postcolonialism

On African Music Kofi Agawu, Victor Kofi Agawu, 2023 Written by one of the best known academic writers on African music On African Music is a collection of seven essays addressing various techniques influences and scholarly approaches to African music After a concise introduction spelling out the rationale for the book successive chapters develop answers to questions such as How does a minimalist impulse animate creativity in Africa and does Western minimalism differ from African minimalism How do we explain the prevalence of iconic effects in African expressive forms How has European tonality functioned as a colonizing force in African music Why is the written art music of the continent talked about so little when it has been in existence since the middle of the nineteenth century How might the discipline of music theory be rejuvenated by aid from Africa What are the strengths and limitations of ethnotheory as a methodology Who is who in theorizations of African rhythm and how might we explain the shape of the existing archive This book thus deals with analytical and interpretive issues the politics of scholarship and salient features of African music Laced with provocative viewpoints on each page On African Music should appeal not only to readers curious about the structural underpinnings of African music but also to those who wish to reflect critically and philosophically on how we study and write about the music of the continent how we might approach its global status with a firm understanding from the inside and what our priorities might be in promoting an empowering cosmopolitan discourse
