

The Sunshine

by Skiloh (edited by mom)

The sunshine says "Hello" to the sweet smelling flowers.

It wakes the clouds like a trumpet in the sky.

It tells the moon to go to sleep.

It says, "Children, wake up! Time to go to school."

The plants thank the sun for the sunshine it provides.

The owls know it's time for bed because the sunshine tells them.

And that's why the sunshine is so important.
