Poetry Memo Mindset Learn Mindset Network:

How Higher Education Feels Kathleen M. Quinlan, 2016-09-27 Teaching and learning in higher education can evoke strong feelings including confusion anxiety boredom curiosity surprise and exhilaration These emotions affect students learning progress and overall success Teachers emotions affect how they teach and their relationships and communication with students Yet the emotional dimensions of teachers and students experiences are rarely discussed in the context of improving higher education This book addresses that gap offering short evocative case studies to spark conversation among university teachers It challenges readers to reflect on how higher education feels to explore the emotional landscape of courses and programmes they create and consider the emotional effects of messages embedded in various policies and practices Following the student lifecycle from enrolment to reunion each of the main chapters contains 10 to 15 accessible emotionally engaging poems that serve as succinct case studies highlighting how some aspect of learning teaching or development in higher education feels Each chapter also contains an expert scholarly commentary that identifies emergent themes across the cases and establishes connections to theory and practice in higher education The poems as case studies are ideal for use in faculty or educational development workshops or for individual reflection A variety of theoretical perspectives and associated reflection prompts provide lenses for variously interpreting the poems An appendix offers suggestions for structuring case discussions as part of educational development activities The book promotes a person centered discourse giving voice to previously neglected aspects of higher education and reminding us that education is essentially a human endeavor

DISCONNECTED: The Quest For Philosophy In A Connected World Melvin Poh, 2025-05-15 DISCONNECTED is a bold and timely exploration of modern life in the digital age Written by public intellectual and philosopher Melvin Poh this book examines how technology while connecting us across vast distances has quietly eroded our capacity for real connection meaning and inner peace Drawing from philosophy psychology and cultural commentary Poh unpacks the hidden costs of our hyper connected world the decline of deep friendship the crisis of identity the rise of distraction the poverty of attention and the quiet loneliness that lingers beneath constant online interaction With clarity and depth DISCONNECTED invites readers to step back from the noise and reflect on what it truly means to be human today It is not an anti technology manifesto but a thoughtful guide to reclaiming agency attention and authenticity in an overwhelming age This book is for anyone seeking to think more deeply live more deliberately and reconnect with what matters most

The Nation ,1996-07 *Mindset* R. J. Marsh,2010-03-08 Mindset is a book that really isn t a book it s more of a journey that will leave the readers mindset in a mist of a storm It has a long dark misery of the youth today and the hardship of real world pains upset and downfall Mindset often hits poits in our life that we wish never happen or wish we could forget There is no real understanding or answer to Mindset and the only answer that can be is the one the reader has after he or she has finished the book This book is a collection of poems I have written over the years in my journey It addressess a variety of situations and topic of emotions facts of life misery and pain and journies that have been traveled **Wealthy Mindset** Thor Castlebury,2024-08-28 Wealthy Mindset is an empowering collection of poems that explores the transformative power of cultivating a mindset rooted in abundance positivity and limitless potential Each verse serves as a reminder that true wealth begins in the mind where thoughts beliefs and attitudes shape the reality we create Through inspiring language and vivid imagery these poems encourage readers to embrace a mindset that attracts success fulfillment and prosperity in all areas of life Within these pages you ll find reflections on the importance of gratitude the power of intention and the strength of self belief The poems explore themes of mental resilience the law of attraction and the joy of pursuing dreams with unwavering confidence They inspire readers to shift their focus from scarcity to abundance from doubt to determination and from limitation to endless possibility Wealthy Mindset is more than just a collection of poetry it s a guide for those who want to harness the power of their thoughts to create a life of true abundance Perfect for anyone looking to develop a positive prosperous outlook achieve their goals or cultivate a life of mental and material wealth this book offers a poetic exploration of the mindset that leads to lasting success As you read each poem you ll be inspired to nurture your mind believe in your potential and live with a mindset that attracts the wealth and happiness you desire **Mindset** Paul

Pääsuke,2024-04-30 In Mindset Paul P suke delves into the profound depths of human emotion and thought This captivating collection of poems explores the landscapes of mental resilience and vulnerability revealing how our perspectives shape our realities With lyrical precision and poignant insights P suke invites readers on a journey through the complexities of the human psyche From the quiet moments of introspection to the tumultuous waves of change each poem serves as a mirror reflecting our own inner worlds Mindset is not just a book of poetry it s an exploration of the soul a guide through the shadows and lights that define our existence Paul P suke s words will challenge you comfort you and inspire you to view life through a renewed lens Step into the world of Mindset and let your thoughts unfold in the rhythm of these powerful verses This collection is a testament to the enduring spirit of humanity and a must read for anyone seeking to understand the power of perspective Copyright c 2024 Book Fairy Publishing A Game with the Mind John A. Fosse,2022-08-01 A Game with the Mind to See What You Can Find reveals what is truly in the mind and heart of the reader Through the exercises and examples carefully sequenced for progressive learning one will experience both the why and how of the personal poetic experience The instructive flow of A Game with the Mind leads the reader through the process of learning about one s innermost self One will find the advantage of dealing with one s own adversities emotions or even successes in a way that will lead to solutions understandings and even revelations about oneself The greatest difficulty about understanding the value of poetry lies in its most valued use It is not to beautify speech as much as it is to learn of one s innermost thoughts pertaining to any situation that is emotionally spiritually or physically felt The beauty of poetry comes through the illuminating voice of the inner self This book leads one to this objective The how of poetry seems to be the most elusive for the beginner How or where does one begin and how does one continue This book teaches a simple methodology for the beginner It points the way to extract feelings from your mind and heart that you are unaware of It creates an aha for the soul in seeing solutions to problems or finding peace through new understanding In essence this book is either a self help book or an English teacher s textbook for poetry The book progressively works through assignments from the simple basic poetry on toward most styles of poetry of the last two to three hundred years It shows how these can be used today to express our varied feelings and emotions
