Apple and Retirement Coaching Career USA National Basketball Team Career Personal Life Impact Legacy and Future An excerpt from the book As far as ranking the top point guards in the history of the NBA is concerned no list would be truly complete without Jason Kidd somewhere on top of all of the other playmakers the league has seen Why not He is an NBA champion a 10 time All Star a six time All NBA Team member a nine time All Defensive Team selection a two time Olympic Gold medalist and a five time assist leader On paper alone you would see how valuable of a point guard Kidd was in his 19 year NBA stint However there were also times when he was not truly befitting of being called a historically elite point guard because of all the criticisms and shortcomings he has had as a player He came into the league with virtually no jump shot and a very minimal offensive repertoire He has had struggles with coaches and even for a while lacked the work ethic needed to be elite And for most of his career he was never the leader of a championship team But for all those criticisms and downsides to his game Jason Kidd was always a leader that made his other teammates great by doing everything else on the court He always made it a point to find teammates because scoring the ball himself was never really his top priority His ability to rebound the ball at a high level for a point guard made sure he could trigger fast break opportunities at a quick rate And his ability to defend every guard position earned him the reputation of being an elite defender in his prime Kidd s vast array of skills made him a ray of sunshine to a franchise because he always lifted his teammates up in every way possible Tags Jason Kidd Bio Jason Kidd basketball New Jersey Nets basketball Steve Nash Vince Carter Kevin Garnett Gary Payton Ray Allen Jason Terry Dirk Nowitzki Richard Jefferson
