

Pointless Conversations: Previews

A Brief (But still Pointless) extract about the BIGGEST topic of them all...

So, let's get down to it, I'm sure there will be much debate, and I'm guessing not everyone will agree with what we have to say, but it simply must be discussed. It's a matter of massive sociological importance, and we would be doing ourselves a disservice if we at least don't consider each other's views.

I can accept the mystery of my own existence; I can remain content with no real understanding of the galaxy beyond our own doorstep; I can even ignore the Pointless "T" on Pluripackul. But I simply must understand this final Great mystery.

It's the biggest question of the lot.

The holy Grail of life's importance.

The one question that hangs over our very existence.

A dilemma that simply has to be answered.

What happens when you take a poo on a holobeck?

The Baby Laundry for Unmarried Mothers Angela Patrick, 2012-03-15 The tragic but ultimately uplifting story of a young woman who was sent to a baby laundry for unmarried mothers in 1960s London In 1963 London was on the brink of becoming one of the world s most vibrant cities Angela Patrick was 19 years old enjoying her first job working in the City when her life turned upside down A brief fling with a charismatic charmer left her pregnant unmarried and facing a stark future Being under 21 she was still under the governance of her parents strict Catholics who insisted she have the baby in secret and then put it up for adoption Shunned by her family and forced to leave her job Angela was sent to an imposing looking convent for unmarried mothers in north east London Run like a Victorian workhouse conditions in the convent were

decidedly Spartan Vilified and degraded by the nuns for her wickedness her only comfort came from the other pregnant girls all knowing they too would have to give up their babies After a terrifying labour with no pain relief Angela gave birth to a beautiful son Paul with whom she fell instantly in love At eight weeks he was taken from her and forcibly put up for adoption leaving Angela bereft and heartbroken Not a day went by without Angela thinking about him Then thirty years later she received a letter It was from Paul and a reunion was arranged This vital slice of social history is a shocking reminder of how cultural mores have changed around the issue of single motherhood since the early 1960s It is also an honest heartfelt memoir that explores the closest of human bonds perforations: After the remainder: calls, comings, desiderata Robert Cheatham, 2014-07-17 A selected perforations compilation of material from 1992 until 2014 calls articles and more Theory anti data communitarian ghostly hysterical missed aim infra thin where the brain rubber hits the road *The great conversation* Robert Maynard Hutchins, 1952 A massive set of classic books includes the most influential works of literature philosophy and science in the history of the West Already Toast Kate Washington, 2021-03-16 The story of one woman's struggle to care for her seriously ill husband and a revealing look at the role unpaid family caregivers play in a society that fails to provide them with structural support Already Toast shows how all consuming caregiving can be how difficult it is to find support and how the social and literary narratives that have long locked women into providing emotional labor also keep them in unpaid caregiving roles When Kate Washington and her husband Brad learned that he had cancer they were a young couple professionals with ascending careers parents to two small children Brad's diagnosis stripped those identities away he became a patient and she his caregiver Brad's cancer quickly turned aggressive necessitating a stem cell transplant that triggered a massive infection robbing him of his eyesight and nearly of his life Kate acted as his full time aide to keep him alive coordinating his treatments making doctors appointments calling insurance companies filling dozens of prescriptions cleaning commodes administering IV drugs She became so burned out that when she took an online quiz on caregiver self care her result cheerily declared You're already toast Through it all she felt profoundly alone but as she later learned she was in fact one of millions an invisible army of family caregivers working every day in America their unpaid labor keeping our troubled healthcare system afloat Because our culture both romanticizes and erases the realities of care work few caregivers have shared their stories publicly As the baby boom generation ages the number of family caregivers will continue to grow Readable relatable timely and often raw Already Toast with its clear call for paying and supporting family caregivers is a crucial intervention in that conversation bringing together personal experience with deep research to give voice to those tasked with the overlooked vital work of caring for the seriously ill Surviving Twilight Shane A.
