Letter from China Peter James Froning, 2003-12-12 http://mysite.verizon.net/Letter_from_China Letter from China is a poignant and irreverent diary of the author's yearlong 2001 experience of teaching English to college students in Beijing Peoples Republic of China From the very first pages the author draws you into his struggle with a culture worlds away from his comfort zone The authors generous and compelling personality allowed him to gain access to the lives of his students and their families who became characters in his tale One can experience the authors wit and humanity throughout the narrative The author's humorous view of China is especially timely and dovetails with the current explosion of interest in that country as it enters the modern world The book is neither a travelogue nor a look at the government although elements of those subjects are woven into the story Instead it is an engaging look at China tailored toward those who know little about it Still those who have lived and or traveled there will also enjoy the book as it reminds them of the absurdities they too experienced

Code Name: Heist Sawyer Bennett,2020-01-07 I am a world class thief Or I was before I got pinched and landed in prison After I served my time I decided to get on the right side of the law or as much as my job at Jameson Force Security allows The lines sometimes blur which suits me just fine My name might be Saint but I'm a devil to most My plan to go legitimate is going as anticipated until my past and present collide in a big way While in Paris preparing to take down a ring of highly specialized thieves I come face to face with my biggest threat and my most dangerous temptation Sindaria Sin Westin was the love of my life until her betrayal landed me behind bars Now I've got to find a way to trust her again at least long enough to pull off this job When it becomes clear the price for this heist will be our lives I realize I need to do whatever it takes to keep Sin safe even if it means trading my life for hers Because no matter the lies I've told myself Sin's greatest theft was the day she stole my heart Code Name: Genesis Sawyer Bennett,2019-05-07 A USA Today Bestselling Novel

Years ago we were in love She was an up and coming superstar and I was the security professional hired to keep her safe We fell hard and fast no matter how much we tried to resist one another But not everyone around us was happy about our relationship and a string of lies and deceit destroyed what we once had I moved on from her and didn't look back Now I've taken the helm of a nationally renowned protective services company and I'm looking to rebrand my career The newly

crowned Jameson Force Security is moving from the glitz and glamour of Las Vegas to the mountainous steel town of Pittsburgh and the last thing I have time for is to deal with my past More than a decade has passed since our split but even a bruised and battered heart remembers its first love So when Joslyn Meyers comes to me for help I reluctantly agree to keep her safe from a terrifying stalker who keeps threatening her life As the danger continues to intensify it becomes clear that I ll stop at nothing to protect the woman who turned her back on me all those years ago Because one thing is certain no matter how hard I try to convince myself otherwise Joslyn still has my heart **Code Name: Sentinel** Sawyer Bennett,2019-09-10

As a former member of the United States Secret Service I m no stranger to putting my life on the line in the name of duty Having left the nation s capital to re settle in Pittsburgh the skills I acquired during my tenure in Washington have made me a valued member of the team at Jameson Force Security But when the President comes seeking a favor to protect his niece I find myself on the fast track back to the Oval Office Simply put she s beyond brilliant A nationally renowned energy scientist Barrett Alexander is on the verge of a breakthrough that will change the world Unfortunately that has also made her the target of a suspected terrorist cell And while Barrett doesn t believe she s in any real danger the President isn t willing to take chances with her life As the threats against Barrett become more calculated I decide taking her on the run is her best chance of survival Danger isolation and attraction ensure we grow closer than I d ever thought possible When I realize I want to keep her safe for reasons that have nothing to do with my job and everything to do with the woman I ve fallen in love with no one is safe from the hell I ll rain down on those that threaten her Wicked Choice Sawyer Bennett,2018-01-02

Rachel Hart and I are nothing more than teammates As mercenaries for hire with the elite Jameson Group we have each other s backs in the most dangerous of circumstances But after a mission gone deadly wrong we do something we ve never done before We cross the professional line and take comfort in one another s arms One night of passion turns our lives upside down with a pregnancy neither of us expected and one that Rachel clearly never wanted But I am a family man through and through and I m determined to raise my child with or without Rachel by my side The only common thread Rachel and I have is our membership at The Wicked Horse a sex club that lets us fulfill our dirtiest fantasies with one another As we become more intimately entwined I find myself falling for Rachel more and more Our wicked nights together make us so much more than teammates And when faced with losing everything I have to hope that Rachel realizes the most difficult choices are actually the easiest ones to make **Fold** Tom Campbell,2012-07-05
