Botanists And Horticulturalists Including plant collectors, flower painters and garden designers Ray Desmond,2020-12-23
Over the past four centuries botanists and gardeners in the British Isles have gathered maintained and propagated many
varying species of plants Their work has been documented in innumerable books and articles which are often difficult to
trace The Dictionary of British and Irish Botanists and Horticulturalists represents a time saving reference source for those
who wish to discover more about the lives and achievements of the horticulturalists listed The dictionary s utility comes not
only from indicating the major publications of the named authors but also the location of their herbaria and manuscripts The
previous 1977 edition of the Dictionary has for many years been a much used source of information for botanists botanic
artists and archivists In this revised edition the scope has been expanded to include among its 13 000 entries flower painters
in addition to botanical artists over 1400 entries and for the first time garden designers Finally the Dictionary should have
international appeal since so many botanists and gardeners worked on collective plants overseas in particular in North
America and the British Commonwealth Each entry gives wherever possible details of dates and places of birth and death
educational qualifications professional posts honours and awards publications location of plant collections manuscripts
drawings and portraits Its main function however is to provide further biographical references to books and periodicals
