Prep, 2019-02 Kweller Prep's Common Core Practice Book Grade 3 for math is to provide students, educators, and parents with practice materials focused on the core skills needed to help students succeed on third grade State assessments. A student will fare better on a test when s/he has practiced and mastered the skills measured by the assessment. A student also excels when s/he is familiar with the format and structure of the test. This book helps students do both. Students can use this math practice workbook to review key material and practice with standard, tethered skill-building exercises. They can also take math Grade 3 practice tests that reflect the rigor and format of the State tests. Students will become accustomed to how test content is presented, which will enhance their test-taking skills. By exam day, students will feel confident and prepared to do their best on challenging mathematics assessments. CCSS Test Preparation: College and Career Readiness Math Grade 3. The Grade 3 end-of-year math test determines if students have mastered third grade Common Core mathematics standards and makes sure that they are getting ready for fourth grade.
