Nichols Poulos points out for example that from the very first day it is important that students learn they will be treated with dignity and respect no matter what And especially helpful are the steps Ms Nichols Poulos employs to set up a behavior management plan that works She explains the strategic steps she takes before school starts how essential it is to get to know each student before they walk into class on that first day She also illustrates how setting up classroom routines helps students know what to expect and how to make the best use of every minute And she emphasizes the importance of the parent student teacher team and includes many examples of how to communicate with and involve parents even those who may be difficult Foundational to her program are reading and writing Among other things she lays out the steps for students even as early as fourth grade to write five paragraph essays and their own student authored books and to research and write reports that include bibliographies When she differentiated curriculum to support all students needs she found their learning accelerated All teachers will appreciate her ideas about how to teach the basics of math as well as advanced math concepts And her ideas for teaching the arts are inspirational as she describes in detail how her fourth graders performed Shakespeare s Hamlet Macbeth King Lear Julius Caesar and A Midsummer Night s Dream She also shows how to integrate social studies with literature and writing Her experiences taught her that young students are much more capable than many people realize The Conscious Teacher is an indispensable guide for all new teachers Many of the ideas Ms Nichols Poulos provides will also be an eye opener for parents and experienced teachers as well The Conscious Teacher is simply a must have for anyone truly interested in giving young children a positive and solid foundation for their later schooling

Unpublished Shaw Bernard Shaw, Dan H. Laurence, 1996 SHAW 16 contains twenty nine unpublished pieces by Shaw written between 1877 and 1950 The most significant is a ten page draft synopsis of *Man and Superman* the original manuscript draft of the play has been lost in a contemplated five act version providing scholars with a hitherto unavailable ur text Equally important for the biographical and artistic insights they offer are the early literary efforts found in Shaw's first opus notebook including an extended narrative verse fragment of 1877 set in Dublin a polemic his first on oakum picking and prison conditions a criticism of organists and orchestral conductors and an attempted evaluation of contemporary arts and letters in 1878 We find Shaw through the persona of a female narrator creating in his own image a fictional memoir of the young Hector Berlioz offering an ironic vindication of housebreakers in anticipation of *Heartbreak House* exploring the seamy side of the prizefight ring examining exhausted genres of Victorian art in 1880 defining the true signification of the term Gentleman lecturing on Socialism and the family and on realism as the goal of fiction and penetratingly considering the future of marriage in a rejected book review one of four included in the volume The dimensions of Shaw's political views may be examined through nearly a dozen commentaries on politics and on war and peace ranging from the Boer War an 1899 draft letter to the press *Why Not Abolish the Soldier* and 1903 municipal elections to U S Liberty Loans the Italo Abyssinian War how to talk intelligently about the Second World War and the implications of the hydrogen bomb in the nuclear age For good measure the volume concludes with two brief playlets previously unrecorded The editors have arranged these pieces individually or grouped by theme and genre as near to chronological order as possible and the reader is brought closer to the original manuscripts by the retention of Shaw's stylistic and spelling inconsistencies and by transliteration of the shorthand notations he frequently inserted between lines or in the margins Each text is supplemented by an editorial note providing its provenance and a detailed physical description of the manuscript
