Exiled God and Exiled Peoples Andrea Fröchtling, 2002 Exiled God and exiled peoples sets out to explore the perceptions of God within a number of forcibly removed communities in South Africa and Jewish survivors of the Shoah with the latter being predominantly of German origin It considers rupture in individual and communal life stories as a determining factor in the perception of and the relationship with God and follows the path paved by survivors of apartheid and the Shoah by recalling their topology their stories about place displacement and terror and the encapsulated relationship with God in their respective exiles

The Basic Fault Michael Balint, 1992 When it was first published in 1968 Michael Balint's *The Basic Fault* laid the groundwork for a far ranging reformation in psychoanalytic theory This reformation is still incomplete for it remains true today that despite the proliferation of techniques and schools we do not know which are more correct or more successful and all psychoanalysts continue to encounter intractable cases of mental disorder Balint argues that ordinary rigid techniques and theories are doomed to failure in such cases because of their emphasis on interpretation *The Basic Fault* continues to illuminate the crucial current issues in psychoanalysis and psychotherapy in general the nature of self the role of developmental defects the value of empathy and the central importance of the relationship between therapist and patient This paperback edition includes a foreword by Paul H Ornstein discussing the impact of Balint's work at the time of its publication and its continued importance now
