Night Moves Night Fever 3:

Chicago Top 40 Charts 1970-1979 Ron Smith, 2001-11 Chicago Top 40 Charts 1970 1979 examines the Windy City's top hits as documented by the weekly record store surveys issued by radio station WLS. As rock n roll music entered its third decade it was finding itself increasingly fragmented which challenged the ratings dominance top 40 radio had exhibited throughout the 1960s. But while FM listening overtook AM in the rest of the country by the decade's end Chicago was the exception. WLS managed to stave off its competition with their commitment to playing Chicago's favorite music regardless of genre. That music is documented in this book. Chicago Top 40 Charts 1970 1979 lists every song to reach the WLS survey alphabetically by title and artist with debut and peak dates, highest position reached and number of weeks on the charts. The top songs of each year and for the entire decade are ranked as well. As an added bonus it features the Big 89 Artists of the 1970s. For those who grew up listening to Chicago radio as well as for record collectors from anywhere Chicago Top 40 Charts 1970 1979 will be a valued addition to their music reference libraries. **SongCite** William D.
