Strange Creatures and Other Poems about Life Marvin Druger, 2022-10-03 Every second of our lives we experience something new Even a repetition of the same experience is not exactly the same We learn from everything that we do and everything that we do becomes part of what we are This book reflects on our everyday experiences and our environments Each poem carries a thoughtful message for children and adults about life and the world around us Sometimes life is sad sometimes it is fun sometimes it is ridiculous These different moods and observations appear in the poems They provide positive insights about life that stimulate readers to reflect on their own lives At the end of the book there are some poems written by Druger s grandchildren There are a few blank pages and readers are encouraged to write their own poems
