

Moving through the Jungle

By Sophie Webber (age 6)

Running through the jungle
Stop!
I hear a noise...
Raaa raaa

Crawling through the jungle
Stop!
I hear a noise...
Ssss ssss

Stomping through the jungle
Stop!
I hear a noise...
Neeeah neeeah

Leaping through the jungle
Stop!
I hear a noise...
Ribbit ribbit

Swinging through the jungle
Stop!
I hear a noise...
Oo, oo, oo, Aa, aa, aa

I've been through the jungle
Stop!
Wooo...
Phew... the wind

Walking home from the jungle
What can I see?
A tiger, a snake, an elephant, a frog,
a monkey
and I've heard the wind.

My Child Chiraka Muhura,2015 **My Child** Chiraka Muhura Mitenga,2015-05-24 Some hidden agenda seem to be ruling the world Some people control others through colourful promises while others are feared because of their stench The powerful act maliciously and deprive others of their livelihood The cries of the deprived have sparked the curiosity of the poet Questions that readily come to mind Is the world as bad as the have nots describe it Is it greed that leads others to make others catch hell on earth This book explores and exposes the hidden agenda for readers to reflect and act *It's a Jungle Out There: Animal Poems for Adult Children* Larry Burgdorf,2013-01-29 This book had its beginnings at an altitude of about 35 000 feet The Author served for thirty five years in the ministry following which he became Director of a charitable foundation with interests in many parts of the world As such he spent a lot of time in airplanes He discovered that writing light poetry was a challenging and enjoyable way to use the time spent in the air The initial impetus for poems having to do with animals came from a grandchild who wanted a poem about a hippopotamus When the author discovered that there were not many readily available on demand he simply wrote one The poems in this little volume are mostly whimsical occasionally offering a homey moral for the reader to take or leave as he sees fit *Selected poems* John Ciardi,1984 Poems deal with a wide range of subjects including love death marriage war and nature **Making Poems** Todd F. Davis,Erin Murphy,2010-02-02 This diverse collection of poems and companion essays by forty nationally and internationally known poets allows readers to experience the creative process through the eyes and voice of each poet No matter how often we are told that revision is an essential component of poetic composition it can be difficult to resist the temptation to think of the poem as having sprung spontaneously Athena like from the writer s head By exposing readers to the finished product as well as the poet s own account of the poem s creation Making Poems offers a behind the scenes perspective on the poetic process that will fascinate both beginning and established writers The book also affords poetry instructors an opportunity to demonstrate to their students the ways in which poems can originate from seemingly mundane and unlikely sources

Hivale, 2019-06-27 Indian English poetry is not addition of English poetry. It is essentially Indian because it portrays Indian cultural and linguistic unity. It is an outcome of Indian literature which has been written in various Indian languages. Therefore Indian English poetry is one of the parts of Indian English Literature which depicts the socio-political, religious, domestic and economical picture of Indian people. Gauri Deshpande states, "We are right in asserting that we are Indian poets writing in English. Our landscape is Indian, our thought is moulded by our political, social, economic and philosophic scene." Chindhade p. 10 Indian English poetry has accomplished both richness and excellence of craftsmanship.
