### **HOPE**

Dreams may come then dreams may go  
But hope should never be let to run low  
A bird will sing then fly away  
But hope will last for way more than half a day  
A tear will fall straight to the ground  
But hope will float around and around  
Touching ice will make it melt  
But hope is something that can always be felt  
Footprints are what we leave behind  
But hope is what we always carry within our minds

### **ONE LITTLE CANDLE**

It's just one little candle  
One tiny flickering light  
A challenge to the darkness  
A small beacon in the night

It could be just a gentle touch  
A reminder that you're there  
Or a warm, compassionate hug  
That shows you understand and care

Maybe it's a helping hand  
A thoughtful, practical deed  
A casserole, some laundry  
Whatever meets the need

Sometimes it only takes your smile  
To encourage and uplift  
And should that smile lead to laughter  
You've shared a precious gift

There's comfort in shared silence  
Or in a softly spoken word  
Or in taking time to listen  
To feelings that must be heard
