

Act Act Acting

**Act act acting,
And go on living.
Act act and
Make others to act.
Since you are acting
Attachment must not
Be there in your living.
Think not you are alive.
Act as an ignorant,**

**Say always you know nothing,
But keep full faith
On knowledge and light.
Act act and act
Make others act and fight.**

A Serpentine Gesture Elisabeth W. Joyce, 2024-12-15 In *A Serpentine Gesture* John Ashbery's Poetry and Phenomenology Elisabeth W. Joyce examines John Ashbery's poetry through the lens of Maurice Merleau-Ponty's conception of phenomenology For Merleau-Ponty perception is a process through which people reach outside of themselves for sensory information map that experiential information against what they have previously encountered and what is culturally inculcated in them and articulate shifts in their internal repositories through encounters with new material Joyce argues that this process reflects Ashbery's classic statement of poetry being the experience of experience Through incisive close readings of Ashbery's poems Joyce examines how he explores this process of continual reverberation between what is sensed and what is considered about that sensation and ultimately how he renders these perceptions into the serpentine gesture of language

Poetry's Appeal E. S. Burt, 1999 Poetry's Appeal studies the reemergence of a viable poetry in the politicized culture of revolutionary and post revolutionary France It finds that poetry addresses history and the political through a disjunction between its illusory status as a song of private lyrical intent and its actual state as a material inscription inevitably public in character

A Sacerdotal Poetics Kathryn Wills, 2023-03-06 This book offers a new way of understanding the old conflict between iconophiles and iconoclasts by exploring the way images in poetry are used by one poet W B Yeats and his translator Yves Bonnefoy Using the phenomenology of Jean Luc Marion as a tool of interpretation the book suggests further that translation is a significant act in which one entire theological world of a Protestant poet may become a completely different Catholic one when the translation is performed by a culturally Catholic poet For Bonnefoy therefore the act of translation becomes a profound act of hope
