Worlding a Peripheral Literature Marko Juvan, 2019-10-12 Bringing together the analyses of the literary world system translation studies and the research of European cultural nationalism this book contests the view that texts can be attributed global importance irrespective of their origin language and position in the international book market Focusing on Slovenian literature almost unknown to world literature studies this book addresses world literature's canonical function in the nineteenth century process of establishing European letters as national literatures Aware of their dependence on imperial powers semi peripheral national movements sought international recognition through among other things the newly invented figure of the national poet Writers central to dependent national communities were canonized to represent their respective cultures to the norm giving Other the emerging world literary canon and its aesthetic ideology Hence national literatures asserted their linguo cultural individuality through the process of worlding that is by their positioning in the international literary world informed by the supposed universality of the aesthetic *Petrarch's Canzoniere in the English Renaissance* Francesco Petrarca, 2005 Seven centuries after the birth of Petrarch 1304-74 the nature and extent of his influence loom ever larger in the study of renaissance literature In this revised and expanded edition of Petrarch's Canzoniere in the English Renaissance Anthony Mortimer presents a unique anthology of 136 English poems together with the specific Italian texts that they translate adapt or exploit The result with its revealing juxtapositions of major and minor figures makes fascinating reading for anyone who wants to get beyond broad generalizations about Petrarchism and see exactly what English poets made of Petrarch's celebrated sequence Reviewing the first edition Professor Brian Vickers wrote An ideal text book for university courses in English or Comparative Literature The critical introduction is a fresh independent and accurate survey of the role of Petrarchism in the English Renaissance our literary history is being rewritten more accurately Worlding Latin America Marco Ramírez Rojas, José Carlos Díaz Zanelli, 2025-03-03 This book offers a contribution to contemporary discussions in the field of Latin American critical theory and literary dialogues by incorporating understudied archives and opening new lines of inquiry from a global perspective Organized around the central themes of transatlantic and transpacific connections the construction of world literary canons that include the Latin American continent and the cultural tensions between local and global intellectual practices this volume provides a comprehensive examination of several key theoretical and literary interventions Essays in this volume discuss issues of translatability geographical imaginaries local iterations of orientalist discourses the construction of editorial networks and the global circulation of cultural commodities *English Writers* Henry Morley, 1892 **JEGP, Journal of English and Germanic Philology** Gustaf E. Karsten, 2002 *The Bibliographer's Manual of English Literature* William Thomas Lowndes, 1879 Worlding Forster Stuart Christie, 2013-11-05 Focusing on the literary works and career of British novelist E M Forster 1879-1970 this book argues that the writer adapted a much older literary form the pastoral to the purposes of writing about modern British experience The publication points out

that Forster's pastoral fiction challenged conventional parameters for the British novel allowing for the emergence of his subsequent modernist classic *A Passage to India* including its critique of British imperialism The monograph also provides a rationale for why Forster subsequently turned his artistic focus beyond Britain embracing public radio under the direction of the British Broadcasting Corporation

Worlding America Oliver Scheiding, Martin Seidl, 2014-10-22 *Worlding America* explores the circulation of short narratives in the early Americas through a combination of neglected primary materials and scholarly commentary Building on recent reconsiderations of American literature in light of transnational and hemispheric approaches it follows the migration of stories from various backgrounds and demonstrates how forms and themes developed in a new literary market that spanned the Atlantic world While short narratives prior to 1800 have been largely excluded from critical discussions as well as anthologies they give insight into the conditions of publishing and writing as well as the demand for brief entertaining pieces that was met by a wide variety of sources including sermons letters diaries travelogues and eventually magazines and newspapers Breaking with traditional concepts of period authorship and genre *Worlding America* groups the different types of narratives it anthologizes according to key subject areas such as Life Writing Female Agency or the Cultures of Print Each section is introduced by a headnote that explains relevant historical and literary developments situating each narrative in its cultural context and providing its publication history Suggestions for further reading will also be appreciated by scholars and students wishing to pursue research in these underrepresented forms

Worlding Brazil Laura Lima,2014-12-05 This book looks at the development of thinking about security in Brazil between 1930 and 2010 In order to do so it develops a new framework for thinking about intellectual history in Brazil and applies it to the development of knowledge on security in that country Building on the Gramscian literature on late modernization and conservative revolution and drawing on the idea of Emotional Theory of Action proposed by Brazilian sociologist Jess Souza this book sets out to establish an innovative framework with which to analyse the development of thinking about security in Brazil in three specific historic contexts This theoretical framework is then used to argue that one specific discourse of Brazilian identity has been the main source of knowledge production in that country since the 1930s In doing this the book offers thought provoking arguments about the role of intellectuals in Brazil and reassesses the exclusionary ideas embedded in the politics of identity and security This book not only introduces a novel framework to analyse intellectual production outside the core it also sheds light on how security has been historically thought of outside the core and will be of interest to students and scholars of International Relations Critical Security Studies and Latin American Studies The Bibliographer's
