Poexts Year Three:

PoextS Year Three Jeff A. Johnston, 2014-12-10 I have been writing poetry for many years In August of 2011 I had a life changing event happen and consequently spent two weeks in the hospital under lockdown and supervision for suicidal tendencies Upon release I moved in with friends and started a new life On November 11 I was at work and had a first line for a poem and could not find anything on which to write it down I decided to make a note to myself on my cell phone When I came home I was taking the line off my phone to continue writing and had the idea for PoextS I would write short poems as somewhat therapy and send them via text to friends and family I sent my first one November 12 of 2011 One year later to the date I had written 1 000 PoextS and published PoextS Year One In PoextS Year Two I continued writing expressing my emotions of the moment as I moved into my next phase of the journey The year had seen a trip into the dark of darkness while heavily medicated and then to an awakening eventually being free of all medications and moving into my own house In PoextS Year Three the journey continues While still battling my demons medication free the light has shined brighter with the help of a partner Someone came into my life accepted who I was and has untapped feelings in me that were long dormant I hope you may enjoy these words and be enlightened by them Thank you to those of you who have read many of my thoughts this book is dedicated to you You know who you are and I love you And now in eight line thoughts this is how my year went
