Real Simple Essay Contest Winner 2012:

Historical Fiction Now, 2023-07-18 Historical Fiction Now brings together prominent authors scholars and critics of historical fiction to explore the genre's character fortunes and potential in the twenty first century Gathering together the voices of novelists critics academics and several authors writing across these categories the volume explores the nature of reading writing and writing about historical fiction in the present moment while meditating on some of the myriad contexts of the genre What inspires writers to choose particular moments events and personalities as the subjects of their fictional imaginings and with what implications for their readers understanding of the present How do contemporary scholars approach the making and reception of historical fiction and how do these approaches resonate with writers own preoccupations in the process of invention What might scholars of a genre with a long and complex history learn from its contemporary practitioners Conversely how do novelists understand their own historical fictions if at all in relation to the theoretical and critical traditions shaping the work of their academic colleagues The collection features an original essay by Hilary Mantel on the making of the Wolf Hall trilogy as well as contributions from internationally known novelists such as George Saunders Namwali Serpell Maaza Mengiste and T a Obrecht among others Professional Journal of the United States Army, 2013-03 **Sacrificial Lambs and Others** Sheri White, 2018-03-22 Sacrificial Lambs and Others is Sheri White's first collection From quiet horror to bloody violence these flash fiction pieces and short stories are chilling and emotionally visceral You will find people teetering on the brink of sanity dark farms creepy carnivals weird kids and Armageddon These stories will stay with you long after you've closed the book **Military Review**, 2013 The Crossroads of Crime Writing Meghan P. Nolan, Rebecca Martin, 2024-03-05 This volume argues that we must examine the boundaries in fiction and non fiction crime writing with an awareness of and turn toward the unseen structures and spatial uncertainties that so often lead to and reflect collective fears and anxieties Drawing upon the insights and expertise of an international array of scholars the chapters within explore the interplay of the literary historical social and cultural in various modes of crime writing from the 1890s to as recent as 2017 They examine unseen structures and uncertain spaces and simultaneously provide new insights into the works of iconic authors such as Christie and iconic fictional figures like Holmes as well as underexplored subjects including Ukrainian detective fiction of the Soviet period and crime writing by a Bengali police detective at the turn of the twentieth century The breadth of coverage of both time and place is an indicator of a text in which seasoned readers advanced students and academics will find new perspectives on crime writing employing theories of cultural memory and deep mapping *Let's Tell This Story Properly* Ellah Wakatama Allfrey, 2015-05-16 Provocative moving and rich in craft the stories gathered here represent some of the most original emerging writers in the world The selected groundbreaking stories carry on the almost thirty year tradition of the Commonwealth Writers Prizes past winners of which include Jhumpa Lahiri Zadie Smith Alice Munro and Chimamanda Ngozi Adichie **The Story Within Us** Megan

Sweeney,2012-09-11 This volume features in depth oral interviews with eleven incarcerated women each of whom offers a narrative of her life and her reading experiences within prison walls The women share powerful stories about their complex and diverse efforts to negotiate difficult relationships exercise agency in restrictive circumstances and find meaning and beauty in the midst of pain Their shared emphases on abuse poverty addiction and mental illness illuminate the pathways that lead many women to prison and suggest possibilities for addressing the profound social problems that fuel crime Framing the narratives within an analytic introduction and reflective afterword Megan Sweeney highlights the crucial intellectual work that the incarcerated women perform despite myriad restrictions on reading and education in U S prisons These women use the limited reading materials available to them as sources of guidance and support and as tools for self reflection and self education Through their creative engagements with books the women learn to reframe their own life stories situate their experiences in relation to broader social patterns deepen their understanding of others experiment with new ways of being and maintain a sense of connection with their fellow citizens on both sides of the prison fence

Elucidating Essay Poetry Denny JA,2020-07-01 Essay poetry is only one variation among many forms of poetry that already exist and which will exist in the future I does not pretend or claim to be superior or inferior to other forms of poetry It also does not purport to either dominate or homogenize poetry It is just one rose from the exuberant garden of Eden which is filled with many other types of flowers It is just one deer of a certain species that dwells among many other kinds of wildlife It is only one color orange among a rainbow which is enriched by a variety of other colors *The Epic World* Pamela Lothspeich,2024-01-30 Reconceptualizing the epic genre and opening it up to a world of storytelling The Epic World makes a timely and bold intervention toward understanding the human propensity to aestheticize and normalize mass deployments of power and violence The collection broadly considers three kinds of epic literature conventional celebratory tales of conquest that glorify heroism especially male heroism anti epics or stories of conquest from the perspectives of the dispossessed the oppressed the despised and the murdered and heroic stories utilized for imperialist or nationalist purposes The Epic World illustrates global patterns of epic storytelling such as the durability of stories tied to religious traditions and or to peoples who have largely stayed put the tendency to reimagine and retell stories in new ways over centuries and the imbrication of epic storytelling and forms of colonialism and imperialism especially those perpetuated and glorified by Euro Americans over the past 500 years resulting in unspeakable and immeasurable harms to humans other living beings and the planet Earth The Epic World is a go to volume for anyone interested in epic literature in a global framework Engaging with powerful stories and ways of knowing beyond those of the predominantly white Global North this field shifting volume exposes the false premises of Western civilization and Classics and brings new questions and perspectives to epic studies *Professional Feature Writing* Bruce Garrison,2023-05-30 Professional Feature Writing provides an essential introduction to the basics of news media feature writing and establishes a solid foundation for students and writers making feature writing their careers

The Art of Uncertainty David Spiegelhalter, 2025-03-04 Named a Best Book of the Year by Forbes and The Economist From our greatest living statistical communicator Tim Harford comes an invaluable data driven guide for understanding and learning to embrace risk and uncertainty in our daily lives How dangerous is our diet How much of sports falls into the realm of luck When authorities categorize a given event as highly likely how likely is that really Whether we re trying to decide if the benefits of a new medication are worth the chance of side effects or if artificial intelligence truly threatens humanity our lives are riddled with uncertainties both everyday and existential yet it can be difficult to know how

to properly weigh all those unknowns Luckily for us renowned statistician David Spiegelhalter has spent his career dissecting data to resolve the apparently random and decode the many decisions we face with imperfect information In *The Art of Uncertainty* he shows how we can become better at dealing with what we don't know to make smarter choices in a world so full of puzzling variables In lucid lively prose Spiegelhalter guides us through the principles of probability illustrating how they can help us think more analytically about everything from medical advice to sports to climate change forecasts He demonstrates how taking a mathematical approach to phenomena we might otherwise attribute to fate or luck can help us sort hidden patterns from mere coincidences better evaluate cause and effect and predict what's likely to happen in the future Along the way we learn how a misinterpretation of a probability contributed to the infamous Bay of Pigs fiasco why a ship twice the size of the Titanic sank without a trace and why we can be so confident that no two properly shuffled decks of cards have ever been in the same order Sparkling with wit and fascinating real world examples this is an essential guide to navigating uncertainty while also retaining the humility to admit what we don't or simply cannot know

Personality and Cognition in Economic Decision Making Aurora García-Gallego, Manuel I. Ibáñez, Nikolaos Georgantzis, 2017-08-22

Psychologists studying cognitive processes and personality have increasingly benefited from the wealth of theory methodology and decision making paradigms used in economics and game theory Similarly for the economists personality traits and basic cognitive processes offer a set of coherent explanatory constructs in economic behavior Given the debate on preference invariance and behavioral consistency across contexts and domains the papers in this topic shed light on the existence and effect of stable sets of idiosyncratic features on economic decision making While the effects of personality and cognition on economic decisions remain under explored the papers contributed in this topic offer more than a stimulus for further research The general message could be that personality and cognitive processes offer the stable idiosyncratic ground on which individual decisions are made
