Read for Your Life Gladys Hunt,Barbara Hampton,1992 Most teens already know what wealth and just plain fun books contain What is sometimes missing is the encouragement to make time for reading in the middle of a busy life Getting excited about books is contagious and so is the reading habit The whole family needs all the encouragement it can get especially teenagers Read for Your Life is more than inspiration to read Gladys Hunt discusses how to read a book what makes a good book what questions to ask and how to discern between good better and best She has a way of making you want to read while helping you to make the most of the

opportunity To help you choose what to read Barbara Hampton has reviewed more than 300 books Her recommendations run the gamut from classics like A Tale of Two Cities to contemporary fiction like A Ring of Endless Light from literary greats like Sir Arthur Conan Doyle and Alan Paton to moderns like Katherine Paterson and Chaim Potok The book contains Pointers on becoming a more perceptive reader Tips on how to enjoy poetry fantasy and fiction An annotated list of over 300 book recommendations Hundreds of plot synopses A complete index to authors and titles Research Anthology on Inclusivity and Equity for the LGBTQ+ Community Management Association, Information Resources,2021-09-24 For many decades the LGBTQ community has been plagued by strife and human rights violations Members of the LGBTQ community were often denied a right to marriage healthcare and in some parts of the world a right to life While these struggles are steadily improving in recent years disparities and discrimination still remain from the workplace to the healthcare that this community receives There is still much that needs to be done globally to achieve inclusivity and equity for the LGBTQ community The Research Anthology on Inclusivity and Equity for the LGBTQ Community is a comprehensive compendium that analyzes the struggles and accomplishments of the LGBTQ community with a focus on the current climate around the world and the continued impact to these individuals Multiple settings are discussed within this dynamic anthology such as education healthcare online communities and more Covering topics such as gender homophobia and queer theory this text is essential for scholars of gender theory faculty of both K 12 and higher education professors pre service teachers students human rights activists community leaders policymakers researchers and academicians *The Politics of Panem* Sean P. Connors,2014-09-24 The Hunger Games trilogy is a popular culture success Embraced by adults as well as adolescents Suzanne Collins s bestselling books have inspired an equally popular film franchise But what if anything can reading the Hunger Games tell us about what it means to be human in the world today What complex social and political issues does the trilogy invite readers to explore Does it merely entertain or does it also instruct Bringing together scholars in literacy education and the humanities The Politics of Panem Challenging Genres examines how the Hunger Games books and films when approached from the standpoint of theory can challenge readers and viewers intellectually At the same time by subjecting Collins s trilogy to literary criticism this collection of essays challenges its complexity as an example of dystopian literature for adolescents How can applying philosophic frameworks such as those attributable to Socrates and Foucault to the Hunger Games trilogy deepen our appreciation for the issues it raises What if anything can we learn from considering fan responses to the Hunger Games How might adapting the trilogy for film complicate its ability to engage in sharp edged social criticism By exploring these and other questions The Politics of Panem Challenging Genres invites teachers students and fans of the Hunger Games to consider how Collins s trilogy as a representative of young adult dystopian fiction functions as a complex narrative In doing so it highlights questions and issues that lend themselves to critical exploration in secondary and college classrooms
