The Reaper's Daughter Km Randall,2015-05-06 I've always felt like an average girl except for my strange relationship with death You could say I like to court it Whether I'm soaring through the air as a flyer for Specter University's cheer squad or speeding down the steepest mountain with only grace and balance keeping me from an icy end I've always needed to feel a rush But now Death is courting me in more ways than one First there's Rishi a rogue death deity who has a penchant for annoying me nearly to my grave and whose intense gaze has the power to see right through me Then there's Hades who I'd rather had stayed just a myth Now that he knows I exist he's not going to leave me alone until I meet the same end as my mother Oh yeah did I forget to mention her I spent my whole life thinking she had died when I was a baby but now I've found out she's much more than dead Fifty years ago Hades banished my mother from the underworld and took away her ability to cross over souls souls that have wandered lost through the world ever since Now she wants me to clean up the mess You may have heard of her before They call her the Grim Reaper
