The Prairie Boys Go to War Rhonda M. Kohl, 2013-01-31 Cavalry units from Midwestern states

remain largely absent from Civil War literature and what little has been written largely overlooks the individual men who served The Fifth Illinois Cavalry has thus remained obscure despite participating in some of the most important campaigns in Arkansas and Mississippi In this pioneering examination of that understudied regiment Rhonda M Kohl offers the only modern comprehensive analysis of a southern Illinois regiment during the Civil War and combines well documented military history with a cultural analysis of the men who served in the Fifth Illinois The regiment s history unfolds around major events in the Western Theater from 1861 to September 1865 including campaigns at Helena Vicksburg Jackson and Meridian as well as numerous little known skirmishes Although they were led almost exclusively by Northern born Republicans the majority of the soldiers in the Fifth Illinois remained Democrats As Kohl demonstrates politics economics education social values and racism separated the line officers from the common soldiers and the internal friction caused by these cultural disparities led to poor leadership low morale disciplinary problems and rampant alcoholism The narrative pulls the Fifth Illinois out of historical oblivion elucidating the highs and lows of the soldiers service as well as their changing attitudes toward war goals religion liberty commanding generals Copperheads and alcoholism By reconstructing the cultural context of Fifth Illinois soldiers *Prairie Boys Go to War* reveals how social and economic traditions can shape the wartime experience *Study Guide - Misborn BookCaps*,2012-11-30 [A Gentle Strength](#) Janella Henry,2010-05 Michael Jansen grew up in a strong Christian home He was a happy well adjusted teen until a dark secret from the past shattered his world In one instant everything that the boy thought he knew and could count on wavered and vanished The world had shifted on its axis and nothing fit anymore This teen s journey of discovery reveals the power of Christ as our personal Savior who wants to be involved in our daily choices Michael has a lot to learn about himself about the nature of truth about the importance of titles and about the power of love Michael learns that sometimes what we view as weakness is actually a gift from God a gentle strength Janella Henry lives in Sadler Texas where she is relishing the recently rediscovered freedom that comes with having new wheels She enjoys teaching and reading and she has also had a hand in writing a book of Christian poetry entitled *Walking in The Shadow of the Cross* *Dragon Operations* Thomas Paul Odom,1988 For the Belgian Paracommando Regiment the Congo was a familiar though often hostile environment For most of the officers and sergeants of the regiment the fields buildings and river below were as familiar as the Belgian landscape But for most of the 340 enlisted men drifting in the sky over the airfield the Congo was an unknown menace outside their military experience Most of these paras were young draftees to whom the Congo represented a closed chapter in Belgium s colonial history Yet even with the experience of its senior leadership the Belgian Paracommandos faced a severe test on this early spring morning The young paras and their seasoned leaders were conducting the first international hostage rescue in the post World War II era The challenge was enormous the risks staggering the Paracommandos were jumping into a perilous den of uncertainty Stanleyville was at the heart of the Simba Rebellion and the scene of the growing desperation Faced with a government ground assault the Simba

leaders had taken several thousand non Congolese hostages to guard against what appeared to be imminent defeat

 Powell,2024-01-12 Following his successful Tullahoma Campaign Maj Gen William Rosecrans and the Army of the
 Cumberland renewed their offensive against Gen Braxton Bragg and the Confederate Army of Tennessee forcing Bragg out of

Chattanooga and sending his troops fleeing into north Georgia. Determined to reoccupy Chattanooga, Bragg forced a battle lasting from September 18 to 20, 1863, near Chickamauga Creek that would come to be known as the Battle of Chickamauga. *Decisions at Chickamauga* introduces readers to critical decisions made by Confederate and Union commanders during that fateful battle. Rather than offering a history of the Battle of Chickamauga, Powell focuses on critical decisions as they developed. This account is designed to present the reader with a coherent and manageable interpretive blueprint of the battle's key moments. Exploring and studying these critical decisions allows the reader to progress from an understanding of what happened to why events happened as they did. Complete with maps and a guided tour, *Decisions at Chickamauga* will be an indispensable primer and readers looking for a digestible introduction to the Battle of Chickamauga can tour this sacred ground or read about it at their leisure and gain key insights into why events unfolded as they did, as well as a deeper understanding of the Civil War itself. *Decisions at Chickamauga* is the third in a series of books that will explore the critical decisions of major campaigns and battles of the Civil War. DAVE POWELL is the author of five books on the Battle of Chickamauga, including the three-volume *The Chickamauga Campaign*. His articles have appeared in *North South Magazine*, *Gettysburg Magazine*, and *Civil War History* among others.
