**Background and Relevance to Rebel without a Cause**

It's hard to imagine a world without teen movies (movies starring, focusing, and marketed on teenagers and their issues). Many of you are already familiar with contemporary teen movies, especially contemporary cult classics like John Hughes' Sixteen Candles or The Breakfast Club, Tina Fey's Mean Girls, or Judd Apatow's Superbad. All of these films are great, but they certainly weren't the first films to talk about feeling unpopular or rejected. It's even harder to find high quality teen movies that are focused towards both adults and teenagers. You may love Old Ranger's 10 Things I Hate about You, but do your parents feel the same way about the film as you do? One of my favorite teen films is Harry Elfont and Deborah Kaplan's Que's Menally Well, but my parents hate it. However, they love Amy Poehler's Clueless. Taste is obviously something that varies from person to person, but few teen films bridge the gap between teens and adults just as few films bridge the gap between popular and critical success. Rebel without a Cause was one of the first movies to do so, capturing America at the critical cultural crossroads of the 1950s. The popular American youth movement emerged, and the film condenses America's reality that the happy American family, a subgenre of the American dream, isn't always what it's cracked up to be.

The film was particularly shocking for audiences when it was released because the lead actor, James Dean, died in a grisly car accident months before the film was released. Dean, who was a rising star in cinema, was only 24 years old when he died and many felt that he could have been one of the greatest actors of all time. His portrayal of teen rebel Jim Stark has become nothing short of iconic of capturing America in the 1950s, and Dean's image is frequently imitated. Dead Poet, for example, most recently alluded to James Dean's image in The Curious Case of Benjamin Button.

Here are some questions you may consider when you have a problem: Who do you turn to when you need advice? More importantly, who do you turn to or what do you do when you don't receive any advice? What are better ways to manage or solve this problem? Rebel without a Cause poses such questions and echoes what Will Smith said in one of his first rap songs (Yes, Will Smith was a rapper before he became an actor): "Parents just don't understand."
