Us and Them: The Authorised Story of Hipgnosis Mark Blake, 2023-02-02 Hugely entertaining history Mojo Between the late 60s and early 80s design house Hipgnosis created some of the most iconic and ubiquitous album artwork of all time Their original lifespan coincided with the golden age of the 12 inch LP beginning just as the Beatles Sgt Pepper made the record sleeve the ultimate blank canvas and ending just as new technology looked set to usurp vinyl Having originally been approached to design an album cover for their friends Pink Floyd students Aubrey Po Powell and Storm Thorgerson would go on to define the visual identity of rock and roll for the next fifteen years swiftly gaining international prominence for their famed The Dark Side of the Moon artwork This

paved the way for other major musicians to set foot in the surreal photo design world of Storm and Po resulting in seminal Hipgnosis creations for the likes of Led Zeppelin Paul McCartney Genesis Black Sabbath ELO and Yes In this authorised account with access to previously unpublished material and exclusive contributions from David Gilmour Jimmy Page Peter Gabriel Roger Waters Robert Plant and even Aubrey Powell himself Mark Blake goes behind the scenes of the Hipgnosis partnership to reveal the pioneering ambition and grand vision that led to their success as well as the clashing egos and artistic differences that undermined it The Hipgnosis story also offers hitherto untold insight into some of music's most legendary bands as viewed through the prism of the people who shaped their imagery and cultural legacy With the work of Hipgnosis continuing to be referenced reproduced and revered worldwide *Us and Them* serves as a celebration a cautionary tale and a compelling human drama exploring the vital intersection between art and music

**Early Modern Women's Manuscript Writing** Jonathan Gibson,2017-03-02 Because print publishing was often neither possible nor desirable for women in the early modern period in order to understand the range of writing by women and indeed women s literary history itself it is important that scholars consider women s writing in manuscript Since the body of critical studies on women s writing for the most part prioritizes print over manuscript this essay collection provides an essential corrective The essays in this volume discuss many of the ways in which women participated in early modern manuscript culture The manuscripts studied by the contributors originated in a wide range of different milieux including the royal Court the

universities gentry and aristocratic households in England and Ireland and French convents Their contents are similarly varied original and transcribed secular and devotional verse religious meditations letters moral precepts in French and English and recipes are among the genres represented Emphasizing the manuscripts social political and religious contexts the contributors challenge commonly held notions about women s writing in English in the early modern period and bring to light many women whose work has not been considered before Mixing Secrets for the Small Studio Mike
