Sear Me Hear Me, Cookin' & Grillin' Deaf Chef Paul Hansen,2012-11-15 I Deaf Chef created this cookbook to share my recipes that I have learned over my 25 years in the hospitality industry What I have learned along the way is that Fresh ingredients are the best way to flavor foods I have been trained by many great Chefs at different properties and I am proud to say that they have taught me well In this cookbook you will find many recipes that will give you great flavors in any dishes without any added preservatives and low in sodium In order to lower the sodium intake I believe that Sea salt is the best way over Kosher salt or Table salt iodine I can teach you how to use natural ingredients that our nature gives us to create a great meal with minimum amount of sodium During my years in the culinary arts industry I have gained a vast amount of experience that have taught me how to make fabulous meals from scratch using the freshest ingredients In this cookbook you will find all sauces salad dressings soups starch vegetables and marinades all derive from fresh nature grown ingredients All recipes are flexible and can be changed to your preference or substituted due to allergies This cookbook will be categorized
