*The Camera Does the Rest* Peter Buse,2016-05-27 In a world where nearly everyone has a cellphone camera capable of zapping countless instant photos it can be a challenge to remember just how special and transformative Polaroid photography was in its day And yet there s still something magical for those of us who recall waiting for a Polaroid picture to develop Writing in the context of two Polaroid Corporation bankruptcies not to mention the obsolescence of its film Peter Buse argues that Polaroid was and is distinguished by its process by the fact that as the New York Times put it in 1947 the camera does the rest Polaroid was often dismissed as a toy but Buse takes it seriously showing how it encouraged photographic play as well as new forms of artistic practice Drawing on unprecedented access to the archives of the Polaroid Corporation Buse reveals Polaroid as photography at its most intimate where the photographer photograph and subject sit in close proximity in both time and space making Polaroid not only the perfect party camera but also the tool for frankly salacious pictures taking Along the way Buse tells the story of the Polaroid Corporation and its ultimately doomed hard copy wager against the rising tide of digital imaging technology He explores the continuities and the differences between Polaroid and digital reflecting on what Polaroid can tell us about how we snap photos today Richly illustrated *The Camera Does the Rest* will delight historians art critics analog fanatics photographers and all those who miss the thrill of waiting to see what develops      *Corporate Disasters: Gale*, Cengage Learning,2017-04-21 *Corporate Disasters What Went Wrong and Why* profiles the biggest corporate mistakes or misdeeds throughout history covering the people the times the decisions made This volume covers Management and Leadership Failures Each essay puts the business and its operators in the context of its own time explaining the market social and technology forces at play and each explores the key make or break decisions that led to disaster      *Modern Film Photography* Caitlin Leonard,2019-05-30 Join me on my journey into the world of modern film photography and discover why in a world of pixels an analog format is gaining such a precedent      EBOOK: Marketing Management Christian Homburg,Sabine Kuester,Harley Krohmer,2012-12-16 *Marketing Management A Contemporary Perspective* provides a fresh new perspective on marketing from some of the leading researchers in Europe The book offers students and practitioners the comprehensive coverage they need to make the right decisions to create and implement highly successful marketing strategies This exciting new edition includes updated cases and combines scholarly international research with relevant and contemporary examples from markets and brands across the world The authors combine their experience as researchers and industry consultants to provide the conceptual and theoretical underpinning of marketing and empirical research helping students to understand how marketing concepts can be applied and implemented The book covers a full range of industries including business to customer business to business services marketing retailing and international marketing from companies around the globe      *Marketing Management* R S N Pillai,2010 Written in simple and

conversational language Main points are given in Bold Letters or in Boxes Themes are easily understandable even to a lay man A good number of case studies are included and each chapter has been discussed in detail discussed thoroughly

*Cases in Competitive Strategy* Michael E. Porter, 1983 Though the cases in *Cases in Competitive Strategy* may be informative when studied on their own they are designed to be read and analyzed in combination with the companion volume *Competitive Strategy* The conceptual materials and the cases are designed to reinforce each other showing the connection between the theory and the practice of competitive strategy formulation

*The Essential Advantage* Paul Leinwand, Cesare R. Mainardi, 2010-12-09 Conventional wisdom on strategy is no longer a reliable guide In *Essential Advantage* Booz Company's Cesare Mainardi and Paul Leinwand maintain that success in any market accrues to firms with coherence a tight match between their strategic direction and the capabilities that make them unique Achieving this clarity takes a sharpness of focus that only exceptional companies have mastered This book helps you identify your firm's blend of strategic direction and distinctive capabilities that give it the right to win in its chosen markets Based on extensive research and filled with company examples including Amazon.com Johnson Johnson Tata Sons and Procter Gamble *Essential Advantage* helps you construct a coherent company in which the pieces reinforce each other instead of working at cross purposes The authors reveal Why you should focus on a system of a few aligned capabilities How to identify the way to play in your market How to design a strategy for well modulated growth How to align a portfolio of businesses behind your capability system How your strategy clarifies growth costs and people decisions Few companies achieve a capability driven right to win in their market This book helps you position your firm to be among them

*Personal Identification* David J. Haas, 2024-03-04 *Personal Identification* Modern Development and Security Implications Second Edition explains how personal identification and REAL ID became part of the American fabric along with their past century's historical ID development The development of the trusted and secure personal identification documents began with passports and has continued as social changes made IDs more essential This book describes the convergence of technologies and hundreds of patents that produced our trusted and secure documents and IDs from our past right up through to today Key factors that created today's need for public issued mass ID are addressed Chronicles the effects of large and mobile populations beginning a century ago Chronicles the effects of impersonal electronic computer communications at a distance and not face to face The distribution of services and money by government agencies based on a person's identity including age and group criteria Describes recent national security and terrorism concerns that necessitates the need to know You are who you say you are Personal identification documents IDs and the societal need for trusted identification by the public is a relatively new social phenomenon In 1900 most people did not need or have any IDs until passports with a photograph of the individual became mandatory when Great Britain entered World War I in 1914 In the United States the State issued driver's license is probably the only trusted ID in one's wallet today but they became trusted and secure documents only recently with the requirement for REAL ID With the first photo driver's

license issued by the State of Colorado in 1959 it took until 1984 for the last State New York 25 years later to comply As a direct result of 9 11 where terrorists used fake driver s licenses to board planes Congress passed the Real ID Act in 2005 to make all State issued driver s licenses more trusted uniform and tamper resistant what is now called the Enhanced Driver s License with non drivers being issued Enhanced Identification Cards And with this every US citizen can now possess a trusted and secure personal identification document Personal Identification Second Edition chronicles the path of personal identification measures including the latest developments of Real ID Scholars and professional security managers understand that stability security and safety necessitate these identity measures to ensure a safer America The book explains the various stages and advances providing readers with a unique study of this fascinating history of the relationship between identity and the means by which one validates and proves their own identity The enactment of the REAL ID Act of 2005 with more secure and tamper resistant documents for each citizen of the United States is being instituted so that one can trust you are who you say you are The State issued driver s license is not a National ID Card it is a Nationally Recognized ID for each citizen
