Christian Treasury, 1875 *The Athenaeum*, 1868 *The Divine Art of Living* Baha'i Publishing, 2006-09 This collection of gems from the Baha'i writings is a much loved classic that has been familiar to generations of Baha'is for over 60 years. Now available to the general public for the first time the book is a guide to the spiritual development and walking a spiritual path with practical feet. Among the wealth of subjects the book explores are learning to know love and trust God, the purpose of life, the importance of prayer and meditation, developing faith and certitude, learning to cope with life's difficulties with patience and confidence, and the importance of service to humanity, to name only a few. Spiritual seekers of any faith tradition will find here timeless wisdom and inspiration that can help them better understand and appreciate the divine art of living.

Accommodation and Natural Theology in the Thought of John Calvin Glenn S. Sunshine, 1987 *The Athenaeum* James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1868 *The Branch* Preston T. Massey, 2018-07-24 The thesis of the book may be stated simply: it is an argument based upon the four prophetic texts of Jer 23:5, Zech 3:8-6:12 and Isa 4:2 as a foundational pattern for the four Gospels. These four prophetic texts will be argued mention a King Branch, a Servant Branch, a Man Priest Branch, and a Lord God Branch. This study seeks to show how Matthew presents Jesus as the King Branch, Mark as the Servant Branch, Luke as the Priest Man Branch, and John as the Lord God Branch. Consideration will also be given to explore the ramification of the four living Beings as described in Rev 4:6-7. Given the sum total of this sequence of literary facts, the conclusion of this book will raise a number of possible implications. One of these implications will offer the conclusion that the four evangelists could not have written their four Gospels solely on their own human unaided efforts.

The Mysteries of Christianity Matthias Joseph Scheeben, 2023-03-17 *The Mysteries of Christianity* is Matthias Joseph Scheeben's youthful magnum opus, a logically rigorous and spiritually profound dogmatic theology. In its pages he explores the intelligibility of Christianity's supernatural mysteries and their deep connectedness, ultimately demonstrating that Christian theology constitutes a science before the court of human reason, even as its object transcends human comprehension. Scheeben's task is to present a unified view of the whole panorama of revealed truth, and he pursues this by considering nine key Christian mysteries: the Trinity, creation, sin, the Incarnation, the Eucharist, the Church, and its sacraments, justification, eschatological glory, and predestination. Since the mystery of the Trinity is the root of the supernatural order, Scheeben begins here, showing that the foundation of the salvific economy lies in the eternal processions of persons in God: the begetting of the Son and the spiration of the Spirit, being in different ways the cause of the life of grace in the human soul. When the Son and the Spirit are sent into the world in the Incarnation and through the bestowal of grace, they provide the way for human beings to see God face to face in the beatific vision, the end for which God created humans. Among the means of return to God, Scheeben particularly emphasizes the Eucharist on account of its close connection with the mystery of the Incarnation. By placing his treatment of the Eucharist before that of the Church,

he signals that his is a genuinely Eucharistic ecclesiology centered on the abiding presence of the incarnate divine Son
