## Recipe Ladys Slipper:

**Minnesota Keeper Recipes** Patty Johnson, 2008-07-28 This regional Minnesota cookbook was created for all of you who want a quick nutritious meal and still spend the day on one of Minnesota's 10 000 lakes. It contains easy to make suppers, ethnic foods and a wide variety of unusual Minnesota recipes. It also contains facts about Minnesota so that anyone reading the cookbook will come to know a bit more about the state with the sky blue waters and over 10 000 lakes. Ladies' Indispensable Assistant, 1852 Dr. Clark's Recipe Book Jacob S. Ammon, 1895 *Magical oil Recipes* Issha Mehta, 2018-10-04 Magic oils generally called conjure oils, ritual oils, hoodoo oil, dressing oils and anointing oils have been a part of hoodoo rootwork practice for as far back as oral histories and written records exist. It is a blend of essential oil with a carrier or a base oil to create a specific outcome. How in Indian tradition we use gemstone or semiprecious stones to alter one's reality or problem, same way here the hoodoo practitioner often sees hoodoo as a sort of personal power that can help them or other people through their knowledge of herbs, minerals, bodily fluids and possessions. The magical blend can be used based on one's inclinations, desires, interests and habits. Hoodoo oils or conjure oils have been made accessing the gods and other supernatural forces in order to bring improvement to a person's life. With this variety of knowledge and power, a practitioner can help a person in all aspects of life including luck, love, evil and restraining enemies. In this book, there is a word-to-word description on how each herb has a magical correspondence to a specific alteration and hence blended few of the aromas to create a specific outcome one desires. The idea is not to purchase an expensive version of gemstone when you can alter one's situation with using this specific blend and changing the situation around. The author has worked with this aromas for a decade now and the recipe sold in the bottles had never given a client reason to complain; many have got married, earned riches and success stories are uncountable. Hence, decide to pen down this formula to help mass in helping themselves with these basic skills. Ladies' Indispensable Assistant E. Hutchinson, 1852 **The Old Herb Doctor, His Secrets and Treatments** Health Research Staff, 1996-09-1941 Contains many rare herbal formulas which have healed thousands when all else failed. Some of the contents: Organic Substance of Plants, Secrets of Ancient Specialists, Vitamin E, The Sex, Vitamin, Anemia, Running Fits in Dogs, Hog Cholera. *Native Recipes From the Grandmothers* Wisdomkeeper, 2018-01-01 Traditional recipes gathered from the Grandmothers of all cultures as I traveled the Canadian Prairies and listened to the stories and shared the food of elders. Most of these recipes have been passed down by word of mouth like the talking stories of First Nations culture. A grandmother, Lillian Mack, assisted me in testing and working with the recipes, adding hints and updating some of the ingredients so they could be used in modern kitchens where some of the traditional ingredients might not be readily available. The herbal remedies are shared with the cautionary note that they should never be prepared or used for medicinal purposes without the guidance and instruction of a medicine teacher or a herbalist.
