Subjectivity and Neonihilism Patric Plesa, 2025-06-12 Subjectivity and Neonihilism examines the current Western sociopolitical climate revealing how it shapes who we are how we think of ourselves and how we create meaning in a seemingly meaningless world Drawing on critical theory this book looks at some of the social inequities produced under neoliberal capitalism and the ways these problems are internalized into subjectivity as the neoliberal self Neoliberal cultural values are shown to reframe social inequities as personal problems and simultaneously create a sense of personal responsibility for solving them within the self rather than addressing them externally The author argues that current crises in meaning making and mental health have been exacerbated by the neoliberal values of individualization responsabilization self governance and competition Divided into 3 parts this book begins by outlining the emergence of subjectivity and technologies of the self It demonstrates how the sociopolitical conditions that amplify social inequities intertwine with the hyperawareness of the internet age to create an atmosphere of meaninglessness that is pervasive on social media and in internet culture In part 2 the author further analyses this phenomenon here labelled neonihilism as the process in which we confront meaninglessness through irony questioning whether this might hold the intrinsic condition for overcoming this new nihilism Part 3 examines the possibility for collective meaning making solidarity and collective action afforded by creating an art of nihilating the neoliberal self or what the author terms the *ars nihil* via subversion and resistance This book offers fresh

insights that will be of interest to students and scholars of critical theory psychology philosophy and sociology *Self Help Books* Ivan King, self help Books, 2017-01-10 Book Description Fate can be unkind Would you dare to look back and risk her wrath When you're a child of the favela in the Valley of Steel you know that Fate comes like a whirlwind lifting some to great heights and slapping others down with no reason Ivan rescued first from an orphanage in the slums of Rio de Janeiro and then from the bleak streets of Ipatinga in Brazil's Valley of Steel has been favored by Fate When a call from Brazil interrupts his privileged life in America he learns his best friend has committed suicide in the rugged Valley of Steel and only he knows the real reasons why This is the story of one man's journey home after a self-inflicted exile The story of a boy who saw more than any child should and the man he grew into and how that man came back to the Valley of Steel to avenge his childhood and stare down the demons of his past It is a story of survival redemption and joy Of childhood memories that burn in the soul and what happens when one man has courage enough to fan the flames and face the fire Hear What the Critics are Saying If you enjoyed *The Kite Runner* then you'll love Ivan King's *Valley of Steel* it both made me laugh and cry It is by far one of the best fiction novels for young adults I have read this year A Must Read Mary Jones Valley Daily News This inspirational book for young adults was a great read I have a sixteen year old son and both he and I read it Great Book Judy B Cohen Valley Group Media I was looking for a book about dealing with depression and anxiety and a friend recommended this one I won't lie to you by the end I was crying a bit Highly Recommend Dave Baker Book Bloggers of America My Daughter in Law recommended this book to me and so I bought it I was trying to overcome the loss of a family member so the book really spoke to me This is just me but I thought the book was sad as a coming of age tale for young adults it sends a very Powerful Message Debra Eisner Literary Times Inc Editorial Review In this gritty yet beautiful and genuine Novel loosely based on his life Ivan King reveals what life was like growing up in a Brazilian slum The events in this book are heart warming and gut wrenching forcing the reader to laugh and cry The naked realism the author uses to tell his story of redemption is phenomenal Few writers have the deep psychological insight necessary to expose their most vulnerable selves Ivan King bares his emotional soul for us Truly Inspirational Sharon Schultz Author's Favorite Quote Life is a comedy to those who think a tragedy to those who feel Join me on an adventure and together we will discover the true purpose of life Valley of Steel self help books self help self help books free self help free self help audio books free self help books for women self help books for men self help books **Oxford Handbook of Anxiety and Related Disorders** Martin M.
