Reaching for Icicles Vadim Tikhomirov, 2014-11-18 Ironic or inspired funny or sad Reaching for icicles explores images created by surrounding world images created in our minds as well as our hearts **The Poems That Reach Out to You**

Charlie Childs Sr., 2024-04-23 Poems whether happy and sad reach out to them whenever and wherever you can Inspire people and give them hope Wherever there is hope there is a tomorrow Remember to pass these works on and keep faith in God and each other **Bloodroot: 101 Dadmations** Tim Lewis Rue, 2009-12-22 Lewis Lew B Castner my maternal

grandfather was a night watchman boilerman when he passed away at the age of 75 on March 11 1963 Lew was an ordinary hard working man neither financially wealthy nor famous However Lew was wealthy with friends and family the rooms at the funeral home in Belvidere were packed with people Lews funeral service provided inspiration for this book The pastor gave a short sermon he then asked if anyone cared to tell a tale about my grandfather A number of people one after another stood up and told a story about Lew I was eight and wished that I had a pad and a pen to record the stories regretting that they would be lost to memory The compilation of these stories as poems is to preserve them from being lost to memory Bloodroot was the name of a plant displayed in my botany class at West Virginia Wesleyan College The stem when cut resembles bleeding In regards to genealogical bloodlines I concluded that the term Bloodroot would be a good title for this collection of mostly family stories My daughter Beth Ann suggested the title 101 Dadmations and the two were combined Bloodroot 101 Dadmations
