Read And Respond:

Read and Respond Janet R. Swinton, William J. Agopsowicz, 2003-11 The Fourth Edition of this popular combination text anthology integrates reading and writing skills The approach of Read and Respond is unique students are assessed for comprehension through summary writing rather than objective testing After summarizing an article students write a personal response Because the summary and personal response are written in the students own words the instructor gains valuable insight into their vocabulary and writing ability As a result students develop proficiency in reading writing and critical thinking The new edition retains the best features of the previous editions It integrates reading and writing offers step by step progression includes models exercises and activities in each chapter and provides additional readings for practice New features include the following A new improved two color format plus overview maps of each chapter A new introductory chapter discussing the reading process and main types of reading tasks A new chapter offering a wide variety of methods to improve both general and specialized vocabulary The addition of content area readings and or excerpts from a college textbook in every chapter New articles for student reading practice in a new chapter entitled Additional Readings An increased emphasis and clarification of student goals outcomes and benefits The addition of self check review questions at the end of each chapter to help students review key concepts and consider personal applications of those concepts The Fourth Edition is complemented by a revised Instructor s Manual which provides an answer key for all activities proposed syllabi for a quarter and for a semester as well as teaching suggestions and strategies

Read and Respond Janet R. Swinton, William J. Agopsowicz, 1992 The book provides the reader with a step by step reading method She will learn how to state the main idea and details of an article in her own words and how to develop a summary Her summary then becomes a measure of how much she understands of what she read She is also given the opportunity to respond to the author that is to write her personal reaction to the author s ideas By summarizing what she has read and responding to it she becomes a better reader The articles in the book were chosen primarily by students from popular magazines and newspapers these non fiction articles represent a wide variety of styles and topics Pref
