The Sailor's Handbook, 1884 **The Sailor's Handbook, Containing Information in a Concise Form which the Sailor Will Find Useful in All Parts of the World** Sir Frederick George Denham Bedford, 1906 **The Bluejackets' Manual** Thomas J. Cutler, 2002 In 1902 when Lt Ridley McLean first wrote this sailor's bible, he described it as a manual for every person in the naval service. One hundred years later, it continues to serve as a primer for newly enlisted sailors and as a basic reference for all naval personnel, from seaman to admiral. New technology is artfully blended with ancient heritage; facts and figures are augmented by helpful advice, and the mysterious language of the sea is preserved and deciphered in a volume that has served the United States Navy for an entire century. Updated throughout, the book provides the latest Navy ratings, uniforms, ships, aircraft, and weapons, as well as current Navy policies on hazing, fraternization, education, and physical fitness, and a completely new chapter explaining the Navy's mission in terms of its rich heritage.

The Bluejacket's Manual, 25th Edition Thomas J. Cutler, 2017-11-15 From the days of oars and coal-fired engines to the computerized era of the 21st century, *The Bluejacket's Manual* has been an essential part of the American Sailor's sea bag for over one hundred years, serving as an introduction to the Navy for new recruits and as a reference book for Sailors of all ranks. Written by a Sailor whose decades of naval service included sea duty in patrol craft,

destroyers cruisers and aircraft carriers as both an officer and a white hat this newest edition has been overhauled to reflect the current state of the ever evolving United States Navy and includes chapters on ships and aircraft uniforms weapons damage control communications naval customs and ceremonies security leadership pay and benefits naval missions military fundamentals and seamanship Unique to this latest edition is the creation of an accompanying website that will serve to keep the book current and provide valuable supplementary material as well as an improved organization that better fulfills the dual roles of primer and reference In total this latest edition of a recognized Navy classic continues to serve today s Bluejackets and Old Salts in the traditional manner while providing a fresh approach that will be welcomed by potential recruits Navy buffs and a growing number of Bluejacket Manual collectors
