

The background of the entire image is a photograph of a sunset or sunrise. The sky is filled with horizontal bands of orange, yellow, and grey clouds. In the middle ground, a dark, silhouetted landmass, possibly an island or a headland, sits on the horizon. The foreground shows the dark, calm surface of a body of water, which reflects the light from the sky. A semi-transparent white rectangular box is centered in the lower half of the image, containing the title and author's name in a cursive script.

Copyright Office, 1970 **Official Gazette of the United States Patent and Trademark Office**, 2002 **Imagining God** Humberto Casanova, 2020-02-05 An ever growing number of Christians are becoming more and more uncomfortable with the tenets of the church the stories of the Bible and the church's worldview Statistics show that these feelings easily escalate into a crisis of faith and for now their predicament is being resolved by leaving the church This book will certainly help dealing with the crisis by showing that the language of faith is built by a web of metaphors taken from the Ancient Near East We do not need to take biblical language literally but as parables for human values in need to be assessed critically Felicia's Dowry Maggie Symington (pseud.
