**The Moon Goddess's Trick: A Love Triangle Werewolf Romance (Mated to Two Alphas Book 1)** Jennifer Suleiman, 2023-03-29 Was the moon goddess wrong It seemed nearly impossible for two alphas to be mated to one girl Yet here they stood side by side with their mate watching them with bewilderment filled in her courier's eyes Were they dreaming No they couldn't be they could see clear as day that

little human that stood before them was their mate whether they liked it or not Welcome table for two She asked her voice music to their ears as their hearts skipped a beat Cheeks red as they greedily inhaled her floral scent with hunger in their eyes Just when they thought their mates were probably halfway across the world there she stood with a wide smile plastered across her angelic bubbly face What bewildered them both was the fact that it was clear as day that she alone was with them How can two dominating alphas with separate packs possibly only have one mate Did this have to do with the fact that they were twins or was the moon Goddess playing a trick on them Was the other mate halfway across the world Each question went unanswered as they stared blankly at the girl in front of them
