member How is discipline related to discipleship Should a believer associate with someone under church discipline Like the other volumes in the 40 Questions Answers Series this book raises and clearly answers the most common and difficult questions that church leaders and members have With succinct chapters this is an eminently practical resource for any church leader elder board or new member seeking a foundational understanding of how the church should function *Who is Jesus?* R. C. Sproul, 2017 A Fraud a Madman or God Incarnate No person in history has provoked more difference of opinion than Jesus of Nazareth Some say He was a cunning fraud while others say He must have been out of His mind In many cases His story is altered to suit the fancies of those seeking to make Him an ally for a host of militant causes While there are many ideas about Jesus to truly understand Him we must go to Scripture In this edition of Who Is Jesus from his Crucial Questions series Dr R C Sproul examines the biblical data and comes away with a compelling portrait of Christ as the Son of God Four Sermons. I. The Important Question, II The Faithful Saying, III The Continuing City, IV The Lord's Supper. Preached in St. John's Church, Brighton John Wall Buckley, 1843 *To Preach the Truth* Schubert M. Ogden, 2015-01-09 But will it preach The only good answer to this question often asked about a Christian theology is to preach it which is to say to preach according to it to what it indicates reflectively and critically valid Christian preaching ought to be This volume of selected sermons and homilies documents a career long attempt to do exactly that Concerned at once to be faithful to the Christian witness and to speak intelligibly and credibly to women and men here and now it represents the way of preaching and so directly calling for a Christian commitment that is of a piece with the distinctive way of doing Christian theology set forth and argued for in Schubert Ogden's other books and articles This is why each sermon or homily seeks so to interpret its scriptural text as to bring out its existential meaning for understanding ourselves and leading our lives as human beings today It is also why each of them in its way directly puts the question of decision raised by Christian faith Thus together with its companion volume To Teach the Truth this book offers a model for bearing witness to the truth as Christians understand it **Insights on Matthew 1-15** Charles R. Swindoll, 2020 A profound and powerful message of the New Testament according to Matthew Adapted **A Taste of God** T. van den Hoogen, 2011 In the course of the 20th century a new worldview has arisen in Western society and culture that is defined in this book as immanent mysticism Several major philosophers are sensitive to such a sense of immanent mysticism The same sensitivity is noticeable in the works of poets painters and other artists It expresses the desire for transforming the way to meaningful living A Taste of God shows that theological research programs are innovated by insights from aesthetics and studies of spirituality The book's research indicates that contemporary Western culture requires a reframing of foundational theology Series Nijmegen Studies in Theology Vol 3 **Every Believer a Disciple!** David E. Bjork, 2015-06-14 The growth of Christianity in recent decades has been remarkable but has it been growth with depth Are our communities of faith our churches creating and nurturing deeply committed followers of Jesus This book was born out of the realization that churches throughout the world

despite their numerous evangelization and spiritual development activities are struggling to produce true disciples of Jesus How can we explain why so many of us in our churches are so unlike Jesus in the way we think and act What can we change in our understanding and practices to facilitate life transformation and spiritual multiplication And as Christians what are we called to do In answering these questions the author proposes an alternative ecclesial and missional paradigm that will enable us to better equip and mobilize believers in the mission that Christ gave to his disciples and gives to us all to make disciples

John Tim Mulgrew, 2024-03-13 A relationship with God should be a constant enjoyable experience Reading scripture should be exciting and a source of great guidance We tend however to read out of an obligation a duty as it were What if we learned to find ourselves in our daily reading What if it turned out to be all about us Our favorite subject That s exactly what we will find when we read scripture in a different light When we stop hiding from the light and start using it as a guiding light This book introduces us to how we can see things in that light and therefore use them to make our life more fulfilling more exciting more rewarding more what God wants for us
