Spirit of Love Sue Langford, 2014-02-14 Faith Andrews is trying to make a major life decision Things never had been easy for her First she ends up in a relationship built in hell then she ends up falling for her best friend She never did make the right decision with men Years before Faith had walked away hand in hand with a man she thought was her soul mate This time life would change completely with the blink of an eye It isn't until Faith goes wandering around the Grand Ole Opry that she realizes what she needed all along Faith gets advice over and over from someone who calls herself Patsy When Faith asks more she realizes she's talking to the country legend Patsy Cline Patsy knows what to do Never ever let go of a dream Fight to make your dreams come true No matter what the situation Patsy always knows just what to say Jamie Gilbert had been writing and singing music since his teenage years When he finally met Faith he fell hard He let her go once when she left to be with Evan There wasn't going to be a second time He was putting a ring on her finger Now all he needed to do was convince her Jason had warned Jamie more than once that if he did Faith wrong he'd be replaceable When he saves Faith from a situation that nobody expected he starts to fall for her The fact that she's married means nothing Love triumphs Now he just has to convince Faith of that
