Resources for Teaching French: 14-16 Gill James, 2010-08-23 A user friendly manual to provide teachers with suggestions for classroom activities aimed at children aged 14-16 studying French

A-level Economics Ray Powell, 1996 This revised Economics A Level study guide is intended to give students the best possible chance of success. It is designed for use both throughout the course as a supplement to studies and as a revision guide for the final approach to examinations. The focus of the book is on the techniques needed to pass with the best possible grades

Computing P. M. Heathcote, K. R. Bond, 1997 This text on computing is one of a series of study guides for A Levels and Scottish Higher Grade which are designed for use throughout the course as a supplement to studies at school or college and as revision guides for the final approach to the exams. The focus is on the knowledge and techniques needed to pass with the best possible grades and there is practical guidance on studying, revising course work and exam preparation. Exam questions are included for each topic and a test run section incorporates a progress test and a mock exam with answers

Understanding and Applying Assessment in Education Damian Murchan, Gerry Shiel, 2024-04-09 All teachers are responsible for assessing the children they teach and the outcomes of any assessment are important for individual learners, schools and wider education systems. Designed as a pragmatic guide for new teachers and those training to teach, this book is your one-stop shop for understanding assessment in schools. It covers formative and summative approaches used across primary and secondary education, supporting a balanced overview with policy examples drawn from the UK, Ireland and wider international contexts. This updated second edition reflects recent trends in assessment and includes more balanced coverage across primary and secondary age phases with a broader range of examples across curriculum subject areas, a new chapter on the potential of digital assessment for both formative and summative purposes, the impact of the COVID-19 pandemic on assessment in general and examinations in particular. Damian Murchan is Associate Professor in the School of Education at Trinity College Dublin. Gerry Shiel is a Research Fellow at the Educational Research Centre Dublin, Ireland

How to Teach Modern Languages-- and Survive! Jan Pleuger, 2001 Pleuger draws on many years of experience teaching all age groups in the UK to present this guide which is full of ideas and encouragement, her aim being to present ways that both teacher and student anxiety can be reduced
