tackle an enterprise of this magnitude I have devised a plan I will take the old go with what you know approach Which brings me to a second question Just what do I know Ive been walking around on this old earth for some six decades now a fact which of itself must count for something In all that time I must have accumulated some knowledge some experience and hopefully a bit of wisdom So Ill just run with that Which brings me to question number three What form should my book take Or more specifically in what literary genre should it be written I have decided to take a coldly analytical approach to the question by compiling a list Below of some popular literary genres Column A and then listing my reasons Column B to write or not to write my book using one of the genres listed in Column A

Column A	Column B
Genres	Pros cons
Economics	Cant get checkbook to balance
Art	Cant draw a straight line
Murder Mystery	Never killed anybody
Cookbook	Always burn the toast
Childrens Book	Cant remember that far back
Bodice Ripper	Never ripped one
Travel Guide	Wont ask for directions
How To	Dont know how to anything
Music	Tone deaf
Animals	Allergies
Sci Fi	Never been abducted
Poetry	Cant rhyme

As we can plainly see the old scientific method didnt serve me very well Now I am back to square one or rather back to question number three Since it was apparent that I dont possess a great deal of knowledge then it must be time to move on to the question of experience Ive had a bunch of that So I will write the thing in the form of a memoir and make it a very personal memoir to boot It will take courage After all dear reader Ive spent a lifetime carefully crafting a persona designed in part to keep the world at bay If I show my true side to the world the side that I have always kept hidden way down at the bottom of my psychic and spiritual sock drawer if I lay bare my very soul you might call me a nutcase or rip me to shreds

Oviedo Florida December 2007 I have bitten the bullet and put it all out there My hot little MS is on its way to my highly regarded and very reasonably priced P O D publisher Snagged the half off Christmas special deal From my prejudiced point of view its no War and Peace but its not a bad read Ive included a few stories about my travels talked a bit about the nature of writing taken a brief swipe at poetry mentioned a few things about my real career recounted a few painful experiences and preached a couple of lightweight sermons A note to parents This book may be classified as kid friendly It contains only a couple of hells and damns here and there and only when required for dramatic emphasis You will find no passages describing acts of lurid explicit or deviant sexual behavior I only write what I know Please overlook the numerous errors of punctuation spelling and syntax Im too cheap to pay extra for copyediting And so I offer you t
