David I. Bertocci, 2009-05-16 *Leadership in Organizations* is the first in a series of three books written primarily for distance learning students in online undergraduate and graduate programs with a focus on management leadership and organizational development. This first book introduces concepts, theories, and principles of leadership across a broad spectrum and is intended for students in online courses on leadership, management, and business. A signature theme of the book is the distinction between leadership and management. This book presents a real world view to help students learn to recognize the dynamics of leadership theory in operation so that they can begin to apply these principles to situations in their work environments.

Management Don Hellriegel, Susan E. Jackson, John W. Slocum, 1999. This text maintains its coverage of management theories and concepts while delivering current thinking in management practices and ideas in the late 1990s. Through its core competency paradigm, students evaluate their own experiences with business management. This development framework focuses on ways for students to develop six managerial competencies they will need to become effective managers: communication, planning, and administration, strategic action, self-management, global awareness, and teamwork.

Clinical Psychomotor Skills Joanne Tollefson, Elspeth Hillman, 2021-10-01. *Clinical Psychomotor Skills Assessment Tools for Nurses* offers a unique blend of solid theoretical knowledge linking it to clinical practice. The combined theory and workbook text covers the key clinical skills and knowledge that nursing students need, facilitating their mastery of provable competencies that fulfil the required standards. This edition uses the 5 point Bondy Assessment Scales with an alternative 3 point assessment available in the instructor resources. The latest evidence-based material from nursing and associated literature and reflecting The Nursing and Midwifery Board of Australia's Registered Nurse Standards for Practice make this the essential guide for students of registered nursing programs. Resources include the highly regarded clinical skills videos and revision quizzes.
