to be used and is offering her just for that purpose Except he s wrong She s not a toy to be used She s precious and most importantly she s his and he intends to make it clear right there in front of all his classmates Abandoned Kitten When Anna loses her Master she panics and shifts into her cat form hiding in her animal mind because she doesn t have to deal with grief if she s a cat Except nobody tells the werewolf who had been tasked with taking care of her that she s not actually a cat It s not too bad living with the Werewolf except she s human too and have other needs that can t be ignored Lost Little Rabbit Ally is pretty sure she s going to die She should never have wandered away from her friend Now werewolves have taken interest in her and are hunting her down in broad daylight She s a weak and probably delicious rabbit so it s only a matter of time before they catch her There are only so many places she can hide in the city PG Excerpt Hello there The man looms in front of her huge and terrifying What s a little thing like you doing out here all alone Don t you know it s not safe for shifters like you out here I um I m just here for the event she stutters If you could point me in the direction of my hotel that would be very helpful she says hoping her ears are properly tucked under her hair and they can t see them Apparently city folks are weird about Shifters like her which was why Darnell had been so wary about letting her out of the hotel Aren t you sweet The man sneers looming in front of her closing in and grabbing her wrist hard enough to hurt Please let go she says her heartbeat going too fast I Please she whimpers eyes filling with tears She can hold onto her shift easier now that she s older but she s fast forgetting how to keep in control because she s really scared right now Why would I do that Sweet little thing like you he drawls leaning in and licking a wet strip up her cheek It s really gross and she pulls away cheeks going bright red with humiliation The other werewolves are closing in now too trapping her between them to give her the feeling of prey being surrounded It s terrifying Her breath hitches and her eyes burn with tears She wipes away the saliva on her cheek with the back of her hand She doesn t like the way he smells like cigarette smoke He yanks her close pulling their bodies closer together and then he shifts partially so that his fingers turn into sharp claws right in front of her eyes She thinks of hitting him and running away but she s outnumbered She closes her eyes and grimaces when she feels him comb through her hair tips of his claws cutting through her hair band like it s made of paper Her hair tumbles out from the ponytail and her rabbit ears drop down A whine escapes her throat Her ears fold back and she trembles quietly panicking Jesus Oh my god What the She closes her eyes heart beating so hard she s afraid it would break through her rib cage and abandon her Aren t you just lovely he grins and she can feel his breath on her cheek burning hot and smelling like cigarette smoke and danger Her ears are folded all the way back pressing into her ear so his words have a sort of echo to them She yelps when he clutches her long ears in his palm and tugs her head back exposing her bare neck to him and looking at her like he s trying to find the best place to slit her neck It hurts to have her ears tugged like this You re going to catch a high price at the market But maybe we can play with you a little before we send you there he says his voice dropping low He leans in close mouth parted a little bit like he s going to kiss her and the idea of his lips on hers makes her blood run cold Her breath hitches and

she loses control of her shift entirely It happens between one breath and the next her body shrinking so rapidly that his hold on her ears loosen enough for her to drop straight down onto the pavement She runs leaving behind her favorite dress and what little spare change she has in her pockets

Peterson,2014-03-04 Not your everyday werewolf erotica Tina works at a campground and decides on one fortuitous night to go for a skinny dip in the lake Little did she know that she was being watched Only the eyes that watched her were a dark yellow that she hadn't seen before When she returned from her rejuvenating and titillating swim she's met by a dark and handsome stranger who seems to have a carnal desire that she's never experienced with any mere mortal What follows is sweet tasting touching and thrusting up against a nearby rock that hurts so good and pleases every inch of her body Excerpt As she lifted her head and looked into Lance's eyes she froze in her tracks His eyes were the same golden yellow shade of the furry creature she was almost killed by He opened his mouth to reveal sharp edged teeth that she had never seen on a human being before Before Tina could let out a yelp Lance sunk those dagger sharp teeth deep into her neck causing her to squeal in submissive delight He was a man possessed Lance sucked at her neck like a vacuum sending tremors of both fear and delight down Tina's spine as she wondered how vicious he would be with her His mouth explored the nape of her neck and bit unforgivably into her shoulder blade before allowing his hot wet tongue to find its way to the undercarriage of her hefty left breast As if working his way to the sweet spot Lance sucked hard at the flesh closest to her underarm causing Tina to lean her head back in ecstasy He sucked her breast in its under region all the way to the epicenter taking great detail to bring her quarter inch nipples to life with flicks sucks and circles of the tongue He reached a now noticeably very hairy hand to grab Tina by the neck as if he was choking her but gentle enough to allow oxygen to pass as he glided his tongue down the center of her chest all the way down to the region of no return just beneath her belly button Her womanly valley begged for sweet relief and that sense was heightened as Lance let out a deep growl when face to face with her as if he was about to punish it for something she did I can't believe we're doing this We don't even know each other Tina said Believe it Lance said before aggressively turning Tina over on her stomach the ridges of the rock scratching her and the coldness of the rock making her nipples hard enough to cut diamonds She lay there on the ice cold rock her naked body covered in mud sprawled out with her bottom in the air at the mercy of this ravenous stranger that was determined to have her werewolf werewolf erotica werewolf erotic romance werewolf romance alpha male alpha alpha wolf pack taken dubcon dubious consent dubcon erotica dubious consent erotica bdsm bdsm erotica bdsm romance domination and submission dominant woman dominant female dominatrix bondage spanking gangbang erotica dub con face sitting face sitting 69 oral sex spanking erotica s m s m erotica mistress mistress erotica cuckold cuckolding cuckold erotica dubcon erotica dubious consent erotic romance
