Come and kiss me saltwater (italian version) Elias J. Connor, Sweetie Willow, 2023-11-03 La diciottenne studentessa d'arte Amber Collins entra nel campus dell'Università della California Los Angeles UCLA con entusiasmo e curiosità per iniziare il suo semestre da matricola. Tra lezioni impegnative e tentativi di destreggiarsi in questo ambiente frenetico, Amber scopre una passione inaspettata: l'arte dell'incontro. Nel bel mezzo della biblioteca affollata, Amber incontra Jayden Bennett, un affascinante bell'uomo di 24 anni con un'aura di intelligenza e compostezza. Uno scambio su arte e letteratura si trasforma rapidamente in conversazioni di un'ora in cui esplorano i limiti della conoscenza e del pensiero. Amber non sa che Jayden più di quanto lascia intendere. Dietro i suoi occhiali e gli occhi profondi si cela un aspirante professore di letteratura che nasconde la sua vera identità: preoccupato per gli ostacoli che lei e lui, in quanto autorità, possono portare. Una storia d'amore piena di sentimento, suspense ed emozione dalla penna di Elias J. Connor e della sua coautrice Sweetie Willow. *Intersectional Italy* Caterina Romeo, Giulia Fabbri, 2024-08-16 This book questions Italian white innocence and examines the specificity of Italian racial discourse through the analysis of different kinds of texts and representations. Intersectionality, a theoretical and methodological approach focusing on the multidimensional discrimination that individuals and groups experience based on their race, color, gender, and other axes of oppression, has only recently been embraced as an effective methodology in Italy, whose national identity is structured around the chromatic norm of whiteness. The categories of race and color have been almost absent in post-war public debate as well as in scholarly discourse. Feminist movements and theoreticians have mostly placed gender at the core of their analyses, leaving white privilege unchallenged and undertheorized. Colonial and postcolonial studies have linked present-day racism to Italian colonialism, thus shedding light on contemporary incarnations of Empire. In this volume, the authors adopt an intersectional methodology to question Italian white innocence and to examine the specificity of Italian racial discourse through the analysis of different kinds of texts and representations. The volume also includes two interviews with writers and intellectuals Djarah Kan and Leaticia Ouedraogo, who discuss how they articulate concepts of intersectionality, Blackness, white privilege, and structural racism in Italian contemporary culture and society. The book will be of great significance to students, researchers, and scholars of Migration and Postcolonial Studies interested in gender, class, and racial identity. The chapters in this book were originally published as a special issue of the *Journal of Postcolonial Writing*. **Meyra - A vampire fairytale (italian edition)** Elias J. Acutely aware of the contemporary rethinking of Italian cinema history, Peter Bondanella has brought together a diverse range of essays which represent the cutting edge of Italian film theory and criticism. This provocative collection will provide the film student, scholar or enthusiast with a comprehensive understanding of the major developments in what might be called twentieth-century Italy's greatest and most original art form. **Male**

Anxiety and Psychopathology in Film Andrea Bini, 2016-04-08 The most popular film genre during the golden years of Italian cinema, the Comedy Italian Style emerged after the fall of the Fascist regime, narrating the identity crisis of many Italian men. Exploring the birth, growth and decline of this genre, Bini shows that this notable style was the search for a new role in the shattered postwar middle class. **Darkening the Italian Screen** Eugenio Ercolani, 2019-08-16 The birth and rise of

popular Italian cinema since the early 1950s can be attributed purely to necessity. The vast number of genres, sub-genres, currents and crossovers, and the way they have overlapped, died out or replaced each other, has been an attempt in postwar years to contain the invasion of US product while satisfying the demands the American industry had created in Italy. The author explores one of the most multifaceted and contradictory industries cinema has ever known through the careers of those most closely associated with it. His recorded interviews were conducted with directors and actors both well known and upcoming.
