Muhammad Irdam Ferdiansyah, Daniella Cynthia Sampepajung, Insany Fitri Nurqamar, Rakhmat Prima Nugraha, 2023-05-27

This is an open access book. The International Conference on Accounting Management and Economics ICAME is an annual agenda organized by the Faculty of Economics and Business Hasanuddin University. In 2022, we would like to introduce to you the 7th ICAME with the current theme entitled Innovation Towards Sustainable Business. We hope that our conference can add discussions and information from various research towards the discourse of new economic policy in the post pandemic era. This activity also became an important agenda in publishing scientific papers by academics and became a positive contribution to mapping Indonesia's future development. Therefore, we would like to invite academics, practitioners, researchers to contribute to the development of economic and business management research through participating in the 7th of ICAME. Thank you for your participation and we look forward to meeting you at the conference.

Ethical and Social Perspectives on Global Business Interaction in Emerging Markets Al-Shammari, Minwir, 2016-02-10. Societal demands, needs, and perspectives of ethical and socially responsible behavior within business environments are a driving force for corporate self-regulation. As such, executives must consistently work to understand the current definition of ethical business behavior and strive to meet the expectations of the cultures and communities they serve. *Ethical and Social Perspectives on Global Business Interaction in Emerging Markets* compiles current research relating to business ethics within developing markets around the world. This timely publication features research on topics essential to remaining competitive in the modern global marketplace, such as corporate social responsibility, corporate governance, consumer behavior, understanding and ethical leadership, and how all of these components attribute to the decision-making process in business environments. Business executives and managers, graduate-level students, and academics will find this publication to be essential to their research, professional, and educational needs.

International Business Strategy and Cross-Cultural Management Richter, Nicole F., Strandkov, Jesper, Hauff, Sven, Taras, Vasyl, 2022-03-15. This comprehensive yet accessible textbook provides readers with an advanced and applied approach to traditional international business that integrates key cross-cultural management topics. Its ten chapters give profound insights into analysing, selecting, and entering international markets, strategic partnerships, strategic positioning, global value chains, organizational designs, intercultural interaction, leadership, and motivation, and international human resources management. For each of these topics, advanced and contemporary theoretical and analytical frameworks are discussed and translated into toolsets that will assist readers in solving practical challenges.
