Mariani, Galina, 2010-06-21 Italian American dishes are what we crave and what we make what we order and what we wax rhapsodic about The last century has seen hundreds of inspired new dishes take their place at the table alongside traditional preparations resulting in a cuisine that is as current as it is classic At last here is the place to look for the tastiest and most definitive renderings of Shrimp Fra Diavolo Steak Florentine Pasta alla Primavera Linguine with Clam Sauce Spinach with Pignol is Tiramisu and all the other treasures of the Italian American table In these pages America's premier restaurant critic John Mariani and his wizard in the kitchen wife Galina Mariani update and perfect all the classics in lighter less creamy and cheesy versions made with the freshest of ingredients The Mariani make a convincing case that Italian American cooking far from being a watered down version of Italian cookery is a full fledged cuisine in its own right In fact as they show in a fascinating introduction many elements of Italian cuisine in Italy today are actually imports from the Italian American repertoire In 250 recipes they reveal not only how glorious that repertoire is but also how its basic elements may be used in innovative new ways in a Risotto with Apples and Saffron for example or a Pork Roast with Fennel This is a feast of food from antipasti and soups through pastas and pizzas all the way to dessert and also of history and folklore in the dozens of sidebars and archival photographs that bring to life the family restaurants and home kitchens where these magnificent ethnic dishes are prepared and enjoyed *Spanish recipes for everyday cooking* Alfonso López Alonso, More than 100 easy recipes based

on Spanish and Mediterranean cuisine for a healthy and diverse diet This book brings together the best dishes from recetasderechupete.com one of the most popular recipe blogs in Spanish This title features 107 easy recipes with step by step instructions colour photos of every recipe and lively personal anecdotes **FOREWORD** I could tell you that this is a wonderful book I could also tell you that this book is full of marvelous recipes illustrated with mouthwatering pictures which would make you dream of savoring these dishes one day I could comment on how well explained all the tricks and techniques needed to cook these recipes are I could do all this and I would not be lying But instead I rather talk about the author A guy I liked from the minute I met him He is full of good vibes and has always helped me and other gastro bloggers in every way he could Alfonso is one of those odd people who likes everyone who does not fit the stereotype of a cautious Galician since he is bold and direct and on top of everything he is no dummy I also deeply admire him for creating one of the best blogs in Spain

Recetas de Rechupete You might be thinking that you couldn't care less about all this and that the personal qualities of the author are not necessary when judging the recipes in a cookbook This could be true about a conventional cookbook but never about a blogger's cookbook The main value in any blog is that it is personal no one else could have written it And when it comes to culinary blogs it is important that they reflect the origins experiences tastes and the obsessions of the person that is driving it Both Recetas de Rechupete and the book are 100% Alfonso they ooze earnestness and frankness simplicity closeness but above all the good food enthusiasm put into it by the author I would love to have my own Alfonso preparing all these meals for me enjoying his conversation But since this is impossible at least until the electronic author is invented I will just have to resign myself to having the book in my computer and reverting to it every time I am in the mood for an everyday meal Mikel L pez Iturriaga El Comidista Blogger and journalist at elpais.com
