Jane Austen's Sanditon Arthur M. Axelrad, 2010 When Jane Austen died in 1817 she left behind 120 pages of manuscript that would eventually be published as Sanditon Praised by some critics and condemned by others this final effort by the great English writer has for the most part been overlooked in favor of the novels that were published during her lifetime and shortly after her death For the first time an entire book is devoted to examining this fragment to establish it as Jane Austen's potential masterpiece With a new setting and a greater range of characters than found in earlier works this novel composed during the last months of her short life if completed would at the same time have continued her series of magnificent novels and created new possibilities for novels to come

long time popular culinary instructor in Northern Virginia's Adult Community Education Program Chef Cal is well equipped with recipes that he knew his students and now his readers would rush to make themselves Ramblings contributions of over fifty recipes include traditional Italian delicacies tasty old fashioned comfort dishes soups and casseroles quick and easy desserts and special holiday treats Also included is Chef Cal's interpretation of miniature apple pies Without a doubt his book will be pulled out to create his meals whenever family and friends are gathered Several times as Chef Cal was writing his stories he found that Miss Kitty the gorgeous white cat that lived with the author and his wife during most of this time had something to say So he wrote about that too In some instances he even let Miss Kitty write her own story While the Ramblings of an Old Man is dedicated to the residents both past and current of that wonderful community known as Danbury Forest it also resonates with communities all across America No matter where you live be it a small hamlet a rural town a village or in a big city these stories are for you Some are humorous others sad Some true some imagined They all however tell a story and offer an opportunity to re create the foods that accompanied it So sit back and enjoy The Ramblings of an Old Man
