

Subject: Nursing

Rogers' Theory on Science of Unitary Human Beings

Nursing theories form the foundation of nursing philosophy that guides nurses in the provision of quality patient care. Moreover, nurses have the professional obligation to systematically search scientific information as a basis for evidence on care delivery. Individual patient characteristics determine the course of care consistent with the nursing profession doctrine of patient-centered care. Nurses must possess analytical skills for critical evaluation of a patient's health status to inform clinical decision-making. However, nursing theories provide a framework that shapes the overall conduct of nurses in clinical practice. Therefore, the discussion of Martha Rogers'...

Rogers Scholar Essay Examples:

Rhodes Scholars, Oxford, and the Creation of an American Elite Thomas J. Schaeper, Kathleen Schaeper, 2010-02 Each year thirty two seniors at American universities are awarded Rhodes Scholarships which entitle them to spend two or three years studying at the University of Oxford The program founded by the British colonialist and entrepreneur Cecil Rhodes and established in 1903 has become the world's most famous academic scholarship and has brought thousands of young Americans to study in England Many of these later became national leaders in government law education literature and other fields Among them were the politicians J William Fulbright Bill Bradley and Bill Clinton the public policy analysts Robert Reich and George Stephanopoulos the writer Robert Penn Warren the entertainer Kris Kristofferson and the Supreme Court Justices Byron White and David Souter Based on extensive research in published and unpublished documents and on hundreds of interviews this book traces the history of the program and the stories of many individuals In addition it addresses a host of questions such as how important was the Oxford experience for the individual scholars To what extent has the program created an old boy girl since 1976 network that propels its members to success How many Rhodes Scholars have cracked under the strain and failed to live up to expectations How have the Americans coped with life in Oxford and what have they thought of Britain in general Beyond the history of the program and the individuals involved this book also offers a valuable examination of the American British cultural encounter

Ferguson Career Resource Guide to Grants, Scholarships, and Other Financial Resources, 2-Volume Set Ferguson, 2014-05-14 A two volume comprehensive guide with information on obtaining scholastic grants scholarships and other financial resources to be used for educational expenses

Applying the Scholarship of Teaching and Learning beyond the Individual Classroom Jennifer C. Friberg,Kathleen McKinney,2019-08-29 When the Scholarship of Teaching and Learning SoTL emerged it often concentrated on individual faculty practice in one classroom it is now however increasingly common to find work in SoTL focused more broadly SoTL studies may engage with a cluster of courses a program a particular population of students a pedagogical approach or a field all of which are represented in the essays collected here by authors from a diverse array of institutions and nations This volume features examples of SoTL research conducted in and applied to a variety of contexts and disciplines offering a theoretical framework for an expanded vision of SoTL one that moves beyond the individual classroom

Scripture and Scholarship in Early Modern England Nicholas Keene,2017-03-02 The Bible is the single most influential text in Western

culture yet the history of biblical scholarship in early modern England has yet to be written There have been many publications in the last quarter of a century on heterodoxy particularly concentrating on the emergence of new sects in the mid seventeenth century and the perceived onslaught on the clerical establishment by freethinkers and Deists in the late seventeenth and early eighteenth century However the study of orthodoxy has languished far behind This volume of complementary essays will be the first to embrace orthodox and heterodox treatments of scripture and in the process question challenge and redefine what historians mean when they use these terms The collection will dispel the myth that a critical engagement with sacred texts was the preserve of radical figures anti scripturists Quakers Deists and freethinkers For while the work of these people was significant it formed only part of a far broader debate incorporating figures from across the theological spectrum engaging in a shared discourse To explore this discourse scholars have been drawn together from across the fields of history theology and literary criticism Areas of investigation include the inspiration textual integrity and historicity of scriptural texts the relative authority of canon and apocrypha prophecy the comparative merits of texts in different ancient languages developing tools of critical scholarship utopian and moral interpretations of scripture and how scholars read the Bible Through a study of the interrelated themes of orthodoxy and heterodoxy print culture and the public sphere and the theory and practice of textual interpretation our understanding of the histories of religion theology scholarship and reading in seventeenth century England will be enhanced

Kierkegaard's Influence on the Social Sciences Jon Bartley Stewart, 2011 Kierkegaard has long been known as a philosopher and theologian but his contributions to psychology anthropology and sociology have also made an important impact on these fields The articles featured in the present volume explore the reception of Kierkegaard's thought in the social sciences Of these fields Kierkegaard is perhaps best known in psychology where *The Concept of Anxiety* and *The Sickness unto Death* have been the two most influential texts With regard to the field of sociology social criticism or social theory Kierkegaard's *Literary Review of Two Ages* has also been regarded as offering valuable insights about some important dynamics of modern society

Thomas Salmon: An essay to the advancement of musick and the ensuing controversy, 1672-3 Benjamin Wardhaugh, 2013 Thomas Salmon 1647-1706 is remembered today for the fury with which Matthew Locke greeted his first foray into musical writing the *Essay to the Advancement of Musick* 1672 and the near farcical level to which the subsequent pamphlet dispute quickly descended Beneath the unedifying invective employed by Salmon Locke and their supporters however serious and novel statements were being made about what constituted musical knowledge and what was the proper way to acquire it This volume is the first published scholarly edition of Salmon's writings on notation previously available only in microfilm and online facsimiles

British Romanticism and the Reception of Italian Old Master Art, 1793-1840 Maureen McCue, 2016-05-23 As a result of Napoleon's campaigns in Italy Old Master art flooded into Britain and its acquisition became an index of national prestige Maureen McCue argues that their responses to these works informed the writing of Romantic period authors enabling them

to forge often surprising connections between Italian art the imagination and the period s political social and commercial realities Dr McCue examines poetry plays novels travel writing exhibition catalogues early guidebooks and private experiences recorded in letters and diaries by canonical and noncanonical authors including Felicia Hemans William Buchanan Henry Sass Pierce Egan William Hazlitt Percy Shelley Lord Byron Anna Jameson Maria Graham Callcott and Samuel Rogers Her exploration of the idea of connoisseurship shows the ways in which a knowledge of Italian art became a key marker of cultural standing that was no longer limited to artists and aristocrats while her chapter on the literary production of post Waterloo Britain traces the development of a critical vocabulary equally applicable to the visual arts and literature In offering cultural historical and literary readings of the responses to Italian art by early nineteenth century writers Dr McCue illuminates the important role they played in shaping the themes that are central to our understanding of Romanticism

Galvin - Economic Inequality and Energy Consumption in Developed Countries Ray Galvin,2019-10-25
Inequality and Energy How Extremes of Wealth and Poverty in High Income Countries Affect CO2 Emissions and Access to Energy challenges energy consumption researchers in developed countries to reorient their research frameworks to include the effects of economic inequality within the scope of their investigations and calls for a new set of paradigms for energy consumption research The book explores concrete examples of energy deprivation due to inequality and provides conceptual tools to explore this in relation to other issues regarding energy consumption It thereby urges that energy consumption approaches be updated for a world of increasing inequality Extreme economic inequality has increased within developed countries over the past three decades The effects of inequality are now seen increasingly in health housing affordability crime and social cohesion There are signs it may even threaten democracy Researchers are also exploring its effects on energy consumption One of their key findings is that less privileged groups have lost consistent access to basic energy services like warm homes and affordable transport leading to huge disparities of climate damaging emissions between rich and poor

Eighteenth-Century Women's Writing and the Methodist Media Revolution Andrew O. Winckles,2019-11-05 This book traces specific cases of how evangelical and Methodist discourse practices interacted with major cultural and literary events during the long eighteenth century from the rise of the novel to the Revolution controversy of the 1790s to the shifting ground for women writers leading up to the Reform era in the 1830s

Breaking Boundaries Nancy Calvert-Koyzis,Heather Weir,2010-08-26 Women throughout the centuries have sought to break out of the constraints that their societies deemed appropriate for them

Scholarship and Partisanship Reinhard Bendix,Guenther Roth,2023-04-28
Today Max Weber appears to many younger academic rebels as the patron saint of value neutral social science yet he too engaged in a furious generational rebellion of his own and in the end chose science as a vocation These essays deal with Weber s substantive and methodological contribution and the relation of his life to his place in intellectual and political history They examine the influences on Weber as well as his similarities to and differences from Marx Burckhardt Nietzsche

Durkheim and others The authors also give attention to the ideological background of the modern attack upon the university and to comparative study of values authority and legitimation Bendix s Presidential Address to the 1970 meeting of the American Sociological Association is included This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1971 **B. B. Warfield's Scientifically**

Constructive Theological Scholarship David P. Smith,2011-08-05 B B Warfield the Lion of Princeton is perhaps America s most prolific and preeminent biblical and theological scholar and yet he has been largely misunderstood and misrepresented In this landmark work David Smith penetrates to the defining features of Warfield s thought and helps us understand its revolutionary character Warfield s detractors have maligned his thought as static and beholden to an outdated epistemology yet Smith debunks this myth Placed within his historical context we discover Warfield expressing the organic and dynamic nature of truth overcoming the subject object dilemma that plagues Western epistemological rationalism and mysticism and all through his explaining the doctrinal system warranted by the Bible Theological scholarship and American church historiography will have to reckon with this fresh and much needed apologetic on America s preeminent apologist **The**

International Encyclopedia of Communication Theory and Philosophy, 4 Volume Set Klaus Bruhn Jensen,Robert T. Craig,Jefferson D. Pooley,Eric W.
