**How to Install Google Apps on Kindle Fire** Alex Hoffman, 2017-12-28 I always wanted to install Gmail on my tablet. But all the tutorials I've found required root or at least a PC. That scared me. And now finally there's a way to install Google Play Store very quickly, pretty much in 15 minutes. At the same time you'll get other apps from Google including Chrome and YouTube. It's a great functionality increase for the Amazon tablet thanks to which you get a complete device for \$50 that you can even play Angry Birds on which my seven-year-old daughter loves. I also tried to gather the answers to all the questions that you might have. Download this book by scrolling up and click on the Buy Now to get this book.
