The PEERS Curriculum for School-Based Professionals Elizabeth A. Laugeson, 2013-10-23 The PEERS Curriculum for School Based Professionals brings UCLA's highly acclaimed and widely popular PEERS program into the school setting. This sixteen-week program, clinically proven to significantly improve social skills and social interactions among teens with autism spectrum disorder, is now customized for the needs of psychologists, counselors, speech pathologists, administrators, and teachers. The manual is broken down into clearly divided lesson plans, each of which has concrete rules and steps, corresponding homework assignments, plans for review, and unique fun activities to ensure that teens are comfortable incorporating what they've learned. The curriculum also includes parent handouts, tips for preparing for each lesson, strategies for overcoming potential pitfalls, and the research underlying this transformative program.

Brotherhood and Small Groups Brittany N. Glover, 2025-09-30 *Brotherhood and Small Groups: A Culturally Responsive Curriculum for Boys* is a transformative step-by-step guide for school counselors designed to empower young boys, particularly those from marginalized communities, with essential social, emotional, and leadership skills. By offering an engaging experiential curriculum, this program creates a safe space where boys can explore their identities, set meaningful goals, and overcome societal barriers. Unlike traditional resources, this book uniquely integrates culturally relevant practices and emphasizes community accountability and empathy. Group facilitators will be equipped with lesson plans and assessments to help monitor the effectiveness of their group and the impact it has on school, community, and family. *Brotherhood* equips educators and counselors with ready-to-use tools to nurture the next generation of leaders while fostering confidence, resilience, and a sense of belonging in every participant. *Journal of Physical Education, Recreation & Dance*, 1990

Postsecondary Transition for College- or Career-Bound Autistic Students Kathleen D. Viesel, Susan M. Wilczynski, Andrew S. Davis, 2022-03-26 This book examines issues relating to postsecondary transition from high school to college or competitive vocational settings for Autistic adolescents and young adults. It details the intervention and consultation services essential to prepare students for postsecondary life. The volume addresses the academic, social, self-regulation, and self-sufficiency skills that adolescents and young adults must develop to ensure a successful transition from high school to college and workplace. It focuses on the role of school psychologists in supporting Autistic students as they enter adulthood but is also relevant across numerous disciplines. Key topics addressed include: Using cognitive and neuropsychological assessment results to inform consultation about college entrance and vocational activities; Evaluating and strengthening academic skills for older Autistic adolescents who plan to enter college or workforce; Helping Autistic students increase their use of social coping and behavioral skills; Strengthening Autistic students' use of self-management and self-sufficiency skills needed to independently perform required tasks in college and the workplace; Selecting an appropriate college and accessing available supports that match student needs; Assisting Autistic students and their families in accessing available services and developing skills that improve
