From Page to Proclamation Clare Schwantes, 2024-11-19 This pioneering work invites readers to embark on a transformative journey through the heart of liturgical worship and scriptural proclamation It introduces a new tier to biblical hermeneutics exploring the ways in which the liturgical event and the ecclesial community color the interpretation of Scripture Weaving together insights from Gadamer's philosophical hermeneutics with the rich tapestry of Catholic liturgy the author proposes that the meaning of a proclaimed Scripture passage emerges not from an analysis of the text itself but in the vibrant interplay of multiple horizons Bible Lectionary homilist and worshiper Through a lens of play and festival the intricate relationship between tradition and contemporary worship is explored showcasing how the sensory richness of the Catholic liturgy shapes the interpretation of Scripture It challenges readers to view the Lectionary as a living text intimately connected to the worshiping assembly and the modern world This thought provoking work offers both theoretical insights and practical implications for scholars clergy and worshipers alike It inspires a fresh perspective that resonates with the contemporary Catholic experience guiding worshipers toward a profound engagement with Scripture in the dynamic event of liturgical celebration Moments & Days Michelle Van Loon, 2016-09-01 Michelle Van Loon helps us treasure our time as a gift and a spiritual responsibility and God as faithfully present in all our moments and days People rarely slow down to experience their days and so they feel rushed through life even as they begin to suspect that life lacks significance By introducing and reintroducing us to the feasts and festivals of the Bible as well as the special celebrations of the Christian calendar Moments and Days restores a sacred sense of time throughout our year enriching our experience of each holy day and enlivening our experience of even the most ordinary time

Toward the Origins of Christmas Susan K. Roll, 1995 Christmas exerts an enormous attraction today even apart from its Christian character as a celebration of the incarnation of God in the Person of Jesus Even marginal or

indifferent Christians crowd the churches on Christmas Eve and in highly commercialized and technologized Western societies the Christmas season is celebrated with enthusiasm Yet Christmas entered the calendar of feasts relatively late by 336 C E and the reason for its introduction and quick spread remain speculative and based on fragmentary evidence Towards the Origins of Christmas addresses both the contemporary Western celebration of Christmas and its deep historical roots in the church of the fourth century The book presents a thorough investigation of the patristic texts and evidence cited by liturgical scholars in the late 19th and 20th centuries to support two main theories the Calculation theory and the History of Religions theory This historical research is set in the framework of the contemporary experience of Christmas the dynamics of time and the liturgical year the inculturation of liturgy and underlying elements of dualism and patriarchal power paradigms which linger beneath the often commercial and sentimental character of Christmas today Suzan K Roll was born in Clarence Center New York USA in 1952 She holds degrees in classical languages and pastoral theology and in 1993 received a Ph D from the Faculty of Theology of the Catholic University of Louvain Leuven Belgium summa cum laude with the gratulations of the jury She has taught and published in the field of liturgy sacraments pastoral theology and presently teaches at Christ the King Seminary Buffalo New York USA The Everyday Catholic's Guide to the Liturgy of the Hours Daria Sockey,2013-02-22 You don't live in a cloister or a monastery but you take your prayer life seriously and want to explore ways to pray regularly and better The Liturgy of the Hours is one of those ways but for those of us who find it a little intimidating Daria Sockey provides a solid overview to this ancient prayer practice The Everyday Catholic's Guide to the Liturgy of the Hours will answer questions like What is the history of the Liturgy of the Hours How can the Liturgy of the Hours fit into a busy schedule Why is the Liturgy of the Hours relevant today Print or online resources Which is better There is a rhythm of prayer not just throughout the day but throughout the year Sockey explores the spiritual riches of the seasons the saints and special feast days which add depth and variety to prayer She also addresses the practice of praying the Scriptures especially the psalms and helps the reader to appreciate the universal beauty of these ancient prayers Don't let concerns about what page am I supposed to be on scare you away Sockey will be your guide to answer common questions and overcome common fears Your prayer life will never be the same Catholicism All-in-One For Dummies Rev.
